AT LOS ANGELES, CALIFORNIA

The following investigation was conducted by
SA [redacted]:

Efforts to locate [redacted] on March 8, 1963, resulted negatively. It was determined that this address is the location of the [redacted] Apartments, and the manager is shown as [redacted]. No one could be located at the office of the manager on March 8, 1963.

On March 14, 1963, Mrs. [redacted] advised she is the manager of the [redacted] Apartments and that [redacted] a former tenant, had recently moved from that address. She did not know where he could be located at the present time. Mrs. [redacted] could not locate her records concerning the rental of the apartment to [redacted] but stated that she recalled he came there in about January of 1962 alone and rented Apartment [redacted] and she believes that he came in response to a vacancy sign which she had in front of the building.

b6
b7C

Mrs. [redacted] described [redacted] as a white male, about 58 to 62 years of age, 5'11" to 6' tall, 140 to 150 pounds, very thin, sandy hair, blue eyes, and a light complexion, who appeared to be rather well educated. He told her that he was employed as a salesman of vitamins. She stated that her association with him lead her to believe he had a very nice personality and was very noticable because of a peculiar walk, consisting of him taking long strides with his feet turned out noticeably. She stated that he had no scars and marks to her knowledge, and she does not believe that he had ever been arrested. She does not know his marital status or any of his relatives, if in fact he has any in this area. She stated he owned an old Ford station wagon until just shortly before he moved, when he had acquired a reasonably late model white Cadillac. When he moved, he told Mrs. [redacted] that he wanted a garage for his car and more storage space.

Mrs. [] stated that he once told her that he had an interest in a gold mine or oil well in Arizona, and she believes that he has some source of income besides his work because he seems to live well but was not away from his apartment enough to have made a living working as a salesman of vitamins.

Mrs. [] stated that on March 12, 1963, [] a porter at the apartment house, was cleaning apartment [] which had been vacated by [] and found a small piece of paper bearing the name "American Nazi Party Box 1381 Arlington, Virginia" and the typed name "American Nazi Party Western Division P. She described one of the men who visited him most frequently as an old man with gray hair, who talked with an accent. She claims that she did not see this man well enough at any time to give an accurate description of him and has no idea how he can be identified.

Mrs. [] stated that in the conversations that she had with [] she considered him a radical and very critical of the United States Government, although she cannot recall specifically what he had said about the government. She recalls that he was critical of the income tax in the

She remembers that he got a considerable amount of mail from the State of New York and from Virginia because she collected the mail for him while he was out of town on one or two occasions. She claims that she did not look at the mail closely enough to know where it came from.

At the time of interview, Mrs. [] re-examined the apartment vacated by [] but could not locate anything which he had left there when he moved.

After searching her records, Mrs. [] found the former addressed for [] which she related as being [], Los Angeles 29, California.

Efforts to determine the identity of the occupants of [] on March 14, 1963, failed to find anyone at that address. It was noted this address is an area of commercial property, but [] is a one-story white fram building that appears to have once been used as a dwelling. It bore the name of Dr. [] []

APPENDIX

CHRISTIAN NATIONALIST CRUSADE

A source advised on August 12, 1959 that the Christian Nationalist Crusade (CNC) was organized in St. Louis, Missouri, in 1947, and moved its headquarters to Glendale, California, in 1953, where it continues to be located; that from the parent CNC, subsidiary organizations, including the Christian Nationalist Party (of America), have developed; that these organizations all reflect in their literature the imprint of their chief organizer and director GERALD L.K. SMITH, whose basic argument has been that this nation, traditionally Christian, and racially segregated, is threatened by anti-Christian and racially "mongrelizing" forces such as communism and internationalism, all dominantly motivated by international Jewry which controls this country financially and politically; and that these organizations are not membership organizations, but represent followers who contribute to them or subscribe to their literature. Although GERALD L.K. SMITH and his associates are not known to have appealed to illegal action, the tenor of their statements and program is anti-Semitic, as indirectly indicated by the slogan of the Christian Nationalist Party, announced in 1950, which was "One Faith - One Race - One Nation".

"The Cross and The Flag" is the copyrighted monthly official organ of the Christian Nationalist Crusade and Party (National Political Committee), Post Office Box 27895, Los Angeles 27, California, published by GERALD L.K. SMITH and edited by [redacted] at 1200 South Central Avenue, Glendale, California.

L.I. Machine Gun Attack On School Holds 4 Youths

(NEWS photo by Ray Platnick)
Policeman holds confiscated machine gun and pistol and looks over Nazi literature and flag.

By BEN WHITE

Four Huntington, L. I., youths, one a professed neo-Nazi and son of a commercial pilot and restaurateur, were arrested yesterday after three of them allegedly sprayed their high school and the home of an English teacher with submachine gun bullets.

The attacks, made from a car, were on the office of Huntington High School Principal Robert A. Cushman and the home of the teacher, Elizabeth Cusley, at 74 Fairmont St., Huntington Station. The firing occurred at midnight Friday during a thunderstorm. The bullet holes were not discovered until 7 A.M. Saturday.

Bail Is Refused

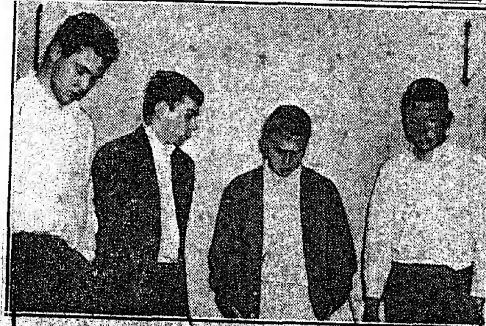

Held without bail for further hearing tomorrow by Huntington Justice of the Peace Frank P. De Luca were John E. Collins Jr., 17, of 35 Thea Lane; Richard Hohenrath Jr., 18, of 23 Harriet Lane; Edmund Kennedy, 17, of 10 Bay Ave., and Stephen Cooke, 17, of 1206 Washington Drive.

Police said that they found a quantity of Nazi-type literature and swastikas in the home of Collins, who told them he was an admirer of American Nazi Party leader George Lincoln Rockwell and had attended a neo-Nazi camp in Arlington, Va., last summer.

Father Arrested

Collins' father, John E. Sr., 49, a R.E.M. pilot and proprietor of one of Nassau County's best known restaurants, Capt. Collins' Table, in Williston Park, also was arrested, when an unregistered pistol was found in the home. He was released in \$500 bail for hearing tomorrow.

Police said the father had no connection with his son's hate activities. "You know these kids and their hobbies," the elder Collins said. "I tried to tell him to pick up something else—that this was kind of repulsive."

Judge Refuses Bail for Teen 'Nazi,' 3 Pals

Huntington.—A Huntington justice of the peace brushed aside the district attorney's recommendation for bail yesterday and jailed four first offenders, all teenagers, accused of conducting a machine-gun raid on a teacher's home and Huntington High School over the week end. One of the youths was an admitted Nazi admirer—and yesterday was tied by police to the painting of a swastika on a Jewish temple in Huntington three years ago.

Justice of the Peace Frank P. DeLuca, told the four: "I'm refusing bail because these charges are very serious. You should know what you are heading for if you persist in this type of conduct." The four were later taken to Suffolk County Jail to await examination tomorrow on charges of possessing and firing a submachine gun, a felony. In refusing bail, DeLuca said he was rejecting "with due respect" a recommendation by the Suffolk District Attorney's office that it be set at \$5,000 for each youth.

As the quartet was being arraigned, Second Squad detectives were questioning a fifth youth, a juvenile. Police said he told them the ringleader, John E. Collins Jr., 18, whose address was given as 35 Thea Lane, Huntington, was involved in the defacing of a Jewish temple in 1960. Although Collins has not been charged with this, Second Squad Commander Patrick Mellon said the juvenile stated Collins was with him in January, 1960, when a huge swastika was daubed on Temple Beth El in Huntington. The juvenile has been held for the action of Suffolk Family Court.

Principal Shocked

Three of the youths arraigned yesterday were students at Huntington High School, and the fourth had been expelled for cutting classes. Robert A. Cushman, principal of the school, said yesterday: "Collins was never in trouble except for poor grades. I was shocked to hear he had all this Nazi literature at his home. I never heard about it and I know none has been distributed in this school."

The youths arrested with Collins and the addresses they gave were: Richard Hohenbach, 18, 23 Harriet Lane; Stephen Cook, 17, 1206 Washington Dr., and Edmund Kennedy, 17, of 10 Bay Ave., all of Huntington. Collins' father, John E. Collins Sr., 41, an airline pilot and owner of the Captain's Table Restaurant in East Williston, was charged with not having a permit for a .38-cal. pistol he had kept as a souvenir of his World War II Navy days. He was freed in \$500 bail.

MACHINE-GUNNING LAID TO 4 YOUTHS

Home and School on L.I. Hit
—Nazi Material Found

Special to The New York Times

HUNTINGTON, L. I., May 13

—An 18-year-old high school senior and three companions were arrested last night on charges of machine-gunning the home of a teacher and the empty principal's office in Huntington High School.

The leader, according to the police, was John T. Collins Jr. of 35 Thea Lane.

In his room the police found a 9-millimeter machine gun, which they said was used in the shooting; a .38-caliber pistol, 8-millimeter and 9-millimeter semi-automatic rifles, a Gestapo uniform complete with boots, a Nazi flag and a wide assortment of hate literature against Jews, Negroes and Government figures.

Collins denied he was a member of George Lincoln Rockwell's American Nazi Party, but said he went to a Rockwell rally in Arlington, Va., last summer and spoke to him. He told the police he hoped to start a "new movement" of his own in Huntington.

Angry Over Teacher

The police said Collins led the shooting foray Friday night after two of his companions had said they were angry because their English teacher, Miss Elizabeth Cubley, had sent notes to their parents complaining that the boys were misbehaving and not doing their homework.

The other members of the group involved in the shooting were identified by the police as Richard Hohenrath, 18, of 23 Harriet Lane; Stephen Cooke, 17, of 1206 Washington Drive, and Edmund Kennedy, of 10 Bay Avenue, all of Huntington.

The police said Kennedy fired the machine gun.

Like Collins, Hohenrath and Cooke are seniors at Huntington High School. Kennedy was expelled from school for bad marks three months ago.

No Nazi paraphernalia was found by the police in the homes of Hohenrath, Cooke and Kennedy.

Collins' father, John T. Sr., a former Royal Dutch Airlines pilot and owner of a restaurant, Captain Collins' Table, in Williston Park, also was arrested when a .38-caliber pistol was found in his home. He was released in \$500 bail for a hearing tomorrow. The youths were held without bail.

The police said the older Collins had no connection with his son's Nazi activities. The father said that he had tried to discourage his son's interest in Nazism, but that the son had told him it was only a "hobby."

The police gave this accounting of the shootings:

They said Collins bought the machine gun, a beretta, at an auction here three weeks ago. The muzzle was filled at the end with lead and the firing pin had been removed.

Cooke put the gun in working condition and Collins bought 30 rounds of ammunition at a sporting goods store.

Friday night, three of the youths were drinking beer, and the police said, decided to "shoot up" the high school and Miss Cubley's home at 74 Fairmont Street, Huntington Station. Cooke did not go along but he was arrested for reactivating the machine gun.

In Collins' car, the three went to the school first, where Kennedy fired into the office of Robert A. Cushman, the principal. Then they went to Miss Cubley's, where Kennedy fired eight rounds into the front door and through a first-floor window.

A thunderstorm apparently covered the noise and the bullet holes were not noticed until the next morning.

The gun jammed, thus preventing the youths from going through with their next plan, which the police said was to spray a manned policeman's traffic booth in Lloyd Harbor.

The police said that Kennedy had never handled a weapon before and that "it's lucky he didn't hurt himself and a lot of other people."

In a L. I. Home: A Young Nazi's Arsenal

By RALPH BLUMENFELD

Outside the white frame house in Huntington, L. I., there is a big yard filled with trees. A football lies forgotten on the lawn, and parked nearby, waiting for summer is a small motorboat.

It is a tranquil scene but today a neighbor nodded toward the John E. Collins home at 35 Inca Lane and said it was deceptive. "Something is seriously wrong in that house," he said.

Suffolk County police agree. Inside the house, police say they have found a 10-foot-wide swastika, a submachine gun, a complete Nazi uniform, pictures of American Nazi Party leader George Lincoln Rockwell and stacks of party pamphlets and stickers.

Charges Pending

John E. Collins Jr., 17, faces court action tomorrow along with three teenage pals—all charged with using the submachine gun to spray bullets last Friday night through the front door of a Huntington HS English teacher's home and through the office windows of the school principal.

Calling young Collins the group's leader, police said the youth had become a Rockwell

admirer last summer on a week-end trip to the neo-Nazi's camp in Arlington, Va.

"You know these kids and their hobbies," said Collins' father, 43, a KLM airlines pilot. "I tried to tell him to pick up something else—that this was kind of repulsive . . ."

In addition to flying, Collins owns a well-known Williston Park, L. I., restaurant—Captain Collins' table—and operates it with his wife.

"They're never home," a neighbor said, "and I guess that's the whole trouble."

A maid who worked for the Collins family for many years quit recently, the neighbor added, diminishing the supervision for John and his four brothers, ages 3 to 13.

A Teacher Remembers

A teacher at the nearby Flower Elementary School said John was always "neat and gentlemanly" when he attended there "but in recent years he's begun to look dishelved—I think he lost his pride."

The youth is a sturdy 6-footer and tried out for the high school football team, but was dropped. "I've often wondered if it wouldn't have helped if he'd made it," the teacher said.

At the high school, young Collins has been undergoing "routine" psychiatric study as a result of continued class-cutting and at least one scrape with the police.

"He's a hard boy to talk to—sort of distant," said a high school girl acquaintance. "He didn't start dating until last fall after his parents got him a Volkswagen. But he tears around quite a lot in that."

A neighbor theorized that "this Nazi stuff" was only the latest bid for recognition by young Collins. There have been incidents before—never traced to him and never reported to the police.

One summer night a porchful of furniture was scattered over a front lawn. One Sunday morning a Nazi sticker was found pasted to a white picket fence with the words "Dirty Jew." And one day shots were fired through

a screen door into an empty kitchen.

None of the incidents involved a Jewish family.

"We've been hearing guns go off for a long time and when it happens you're not sure who did it," the neighbor said. "You might have your suspicions but you want to be neighborly, so you just let it go."

Say LI 'Nazi,' 18, Led 3 on Shooting Raid

By Maurice Swift and Kenneth Crowe

Huntington—A self-styled 18-year-old apostle of American Nazi Party Fuehrer George Lincoln Rockwell led three cronies in the machine-gunning of a teacher's home and the Huntington High School principal's office over the week end, police said.

No one was injured in the shootings, which police said were caused by the anger of two boys over being given failing marks by a woman English teacher and the fury of a third over his recent expulsion from the high school for cutting classes. Bursts from a sub-machine gun were fired about midnight Friday into the home of Mr. and Mrs. Martin T. Carter at 74 Fairmount St., Huntington Station, where the teacher, Miss Elizabeth H. Cubley, lives. The four youths, who had been drinking, then went to the school and fired another burst into the unoccupied office of Principal Robert Cushman, police said.

Second Squad detectives tied the two shootings together and were led through undisclosed sources to the home of John E. Collins Jr., a Huntington High School senior and son of an airline pilot and bar owner. The police said they entered Collins' home at 35 Thetis Lane with a search warrant and found an arsenal of German-made weapons, a library of hate literature and an astonishing array of Nazi paraphernalia, including a ten-by-eight-foot swastika flag, a gestapo uniform complete with highly polished leather boots and pictures of Rockwell. The arms cache consisted of a 40-shot sub-machine gun, three rifles, three pistols, bayonets and ammunition, the officers said.

Collins, who was not a member of the American Nazi Party, told the detectives that he was trying to get his own "party" started in Huntington and was distributing "only to my friends" hate leaflets with mottoes such as: "Liberate Jew-Occupied New York" and "This Time the World." He admitted taking part in the shooting incidents, police said.

Youth's Father Booked

Collins and his companions were arrested last night and held without bail for arraignment today on felony charges of possessing and firing a submachine gun. Police identified the other youths, and the addresses they gave, as Richard Hohenrath, 18, 23 Harriet Lane, whose father is a sales engineer; Stephen Cook, 17, 1206 Washington Dr., whose father is also an airline pilot, and Edmund Kennedy, 18, 10 Bay Ave., whose father is a bank appraiser. All live in Huntington. Collins' father, John E. Collins Sr., 43, was booked by police on a charge of illegal possession of a dangerous weapon.

Police said that the elder Collins had a .38-cal. pistol in the house from his World War II Navy days, for which he did not have a permit. They said that the senior Collins is a KLM Royal Dutch Airlines pilot and owns the Captain's Table Restaurant in East Williston. The elder Collins told police that he had tried to dissuade his son from his interest in Nazism. Cook, Kennedy and Hohenrath denied any affiliation with Nazism.

Acting Second Squad Commander Sgt. Joseph York gave this account of the shootings:

Collins, who enjoyed parading around in his Nazi uniform and who visited Rockwell's Arlington, Va., encampment last summer, purchased the 9-mm. Baretta submachine gun for \$35 about two weeks ago at a weapon sale in the American Legion Hall on New York Avenue. After Cook helped him unplug the barrel, .22-cal. shells for it were bought in a local sports shop. The four youths riding in Collins' Volkswagen first had a couple of drinks then went to the teacher's home. Collins and Hohenrath said later that they had been failing English in Miss Cubley's class. York said that Hohenrath fired the burst through the front door. It failed to disturb the three sleeping adults in the house, however. They said they thought the noise was thunder.

The youths then drove to the school still open after a concert. second burst from the hip into the principal's office, York said. Doors, Kennedy, who was expelled from school three months ago, fired the walls and furniture in the house and school were damaged by the shots. Police are continuing their investigation.

Court Sets \$2,500 Bail For Accused Gunners

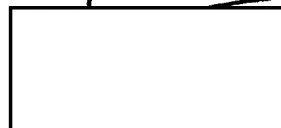

Riverhead — The Suffolk County Court upset a justice court action yesterday and set bail at \$2,500 for the three Huntington youths accused of machine-gunning a teacher's home and Huntington High School. Bail was posted for one youth last night and the other two, including admitted Nazi-admirer John Edward Collins Jr., are expected to be bailed out today.

The attorneys for the trio petitioned the court for bail on grounds that the youngsters were first-offenders and that the charge—possessing and firing a machine-gun — was one on which bail is permitted. Huntington Justice of the Peace Frank DeLuca had refused bail because he felt the youths should have a taste of jail life, he had said.

The trio waived examination in court Wednesday and were held for grand jury action. They are Collins, 18, who gave his address as 35 Thea Lane; Richard Hohenrath, 18, who gave his address as 23 Harriet Lane, and Edmund Kennedy, 17, who gave his address as 10 Bay Ave., all of Huntington. A fourth youth, Stephen Cook, 17, who gave his address as 1206 Washington Dr., Huntington, also waived examination on the same charge but was freed in \$2,500 bail to await grand jury action.

GEORGE WASHINGTON

The Jews work more effectively against us than the enemy's armies. They are a hundred times more dangerous to our liberties and the great cause we are engaged in. It is much to be lamented that each state, long ago has not hunted them down as pests to society and the greatest enemies we have to the happiness of America.

BENJAMIN FRANKLIN

There is a great danger for the United States of America. This great danger is the Jew. Gentlemen, in whichever land the Jews have settled, they have depressed the moral level and lowered the degree of commercial honesty. ... For more than seventeen hundred years they have lamented their sorrowful fate - namely, that they have been driven out of their Motherland; but, gentlemen, if the civilized world today should give them back Palestine and their property, they would immediately find pressing reasons for not returning there. Why? Because they are vampires - and vampires cannot live on other vampires - they cannot live among themselves. They must live among Christians and others, who do not belong to their race.

If they are not excluded from the United States by the Constitution within less than one hundred years, they will stream into this country in such numbers that they will rule and destroy us and change our form of government for which we Americans shed our blood and sacrificed our life, property and personal freedom. ... Their ideas are not those of Americans, even when they have lived among us for ten generations. ... If they are allowed to enter they will imperil our institutions. They should be excluded by the Constitution.

THOMAS JEFFERSON

Nothing is more certainly written in the book of fate, than that these people (the Negroes) are to be free; nor is it less certain than that the two races, equally free, cannot live in the same government.

ABRAHAM LINCOLN

It is better for us both, therefore, to be separated.

and now ...

The Jews have used the names of our patriots to advance their goal of racial integration and one-world government. On the other hand, they claim racial and integration are in accordance with the "twentieth century."

We say ...

THROW OFF THE YOKE

- IN THE SPIRIT OF '76

Down through the history of this country the wisest men have endeavored to warn the people against the Jews. But at no time has any of them been able to arouse a sufficient number of people to resist the Jews' growing power. The Jews now own the three television networks in this country, and own or control most of the press. With these facilities under their control they have convinced many Christian Americans that their Christian brethren are guilty of "hate." And in addition to control of the press and air, the Jews are now urging a law against "hate" literature in the mail, the Christians' last means of communication not already controlled by their Jew overlords.

The Jews are now "calling the tune." They are in every important department of the government, and virtually control the armed services. The President's speeches are written by Jews. Our daily national and international affairs, and the news about them, all have the inconsequential and meaningless haggling of the Jewish mentality.

The political thought and writings of our forefathers have been distorted by Jew "intellectuals" who like words but always corrupt

the idea. The field of music and theater is dominated by Jews with their artificial music and amoral drama. The publishing field is dominated by Jews with their "criticism" of Christian society and false theories in biology and psychology. Through these means the Jews have destroyed the image of Christian America.

The Jews have penetrated both political parties, and will penetrate any new party unless they are forbidden participation in politics. Political opportunists and rich Americans have collaborated with Jews to retain their money and power. It is up to the mass of gentile Americans to restore stability in this country and end communism throughout the world by uniting with their gentile brethren against the Jews. This duty must no longer be evaded by saying "Yes, but I know some very nice Jews", or "Yes, but there are some gentiles just as bad as the Jews," or by falling for the greatest of all Jewish lies--that "Gentiles create their own problems and would have troubles anyway." Christians must question the loyalty of their Jewish friends.

In Israel - One Race, One Religion, One Tradition

In Israel the life of the army is based on the Bible and Talmud, according to a recent article in the Jewish Post and Opinion. The article stated that Israel must teach all immigrants one language, one set of customs, and instill in them the desire to fight for the same cause. The army, it said, is the biggest unifying factor of the Jewish nation. Another article stated that one of the key problems since the foundation of Israel has been the task of trying to relate the laws of the state to the basic principles of Jewish law.

Thus it is admitted by the Jews themselves that a nation has a right to unify its people under one tradition, religion, race and concept of law.

The Jewish Press at the same time gave big headlines to tolerance in New South Wales where, the article stated, various groups including the State's Board of Jewish Deputies pointed out that teaching the fundamentals of the Christian faith in public schools contravened the Public Instruction Act.

Another report stated that the ban against the Regents' Prayer in New York State rep-

resented the principle of separation of church and state. (The ban was led by Jews). Then another article stated that the church and synagogue have a responsibility to the general community regarding hiring, welfare programs, and so on--matters which, by the principle of separation of church and state, belong to the state or to private industry, not the church.

Another report in a Jewish newspaper stated that the Jews have utilized every legal means to abolish Blue Laws in order that they may keep their Saturday Sabbath and open their shops on Sunday. It is necessary, in other words, to eliminate the laws protecting one religion in order to allow the practice of the other. The two religions, as proven by the Jews themselves, are mutually exclusive.

While having a nation of their own, where they openly declare their right to live as one people, the Jews also live in every other nation of the world and work toward breaking down the religious and racial integrity of other people, and totally confuse the laws in every land.

The Collective Soul

Rabbi Hillel Silver stated in a speech reported in the American Examiner recently that since the American Jewish Joint Distribution Committee was founded in 1914, the Jews in America have marshalled their resources to meet the needs of fellow-Jews the world over. This is not merely help in disaster, said Rabbi Silver, but a planned and sustained program of assistance for fellow-Jews who found themselves in what might be called a "continuing crisis." The Committee is now merged with the United Jewish Appeal.

Rabbi Silver speaks of the Jews' "collective soul of our people," which still exists.

In other words, the Rabbi admits that the Jews' first concern is for themselves, and that they have the right to feel united as a race, in whatever nation they live.

Communism Is Jewish

"Marxism is the shell, but its kernel is Jewish sociology, Jewish currents of thought, Jewish religious and social ethics, and above all the Jewish emotional belief in the 'end of days' . . . (The Origins of the Russian Jewish Labor Movement by A. L. Patkin, a Jew, and member of the first Moscow City Council in 1917).

"In reply to the question how it was possible for high finance to favor Bolshevism, which is hostile to property, movable and immovable, the Jewish banker began by explaining that those who are astonished at the alliance between Israel and the Soviets forget that the Jewish nation is the most intensely national of all peoples and that Marxism is simply one of the weapons of Jewish nationalism. Capitalism, he added, is equally sacred to Israel, which makes use of both Bolshevism and capitalism to remould the world for its ends. The process of renovation of the world is thus carried on from above by Jewish control of the riches of the world and from below by Jewish guidance of revolution." (The Rulers of Russia, by Rev. Denis Fahey, C.S.Sp., Regina Publications, Dublin).

What You Don't See

Attorney General Robert Kennedy told the world over the Voice of America that "what

The Plan

THEY HAVE STATED THEIR

It is not too late here to comment on the 1962 July Fourth speech President Kennedy read to the nation, inasmuch as he stated in it that he was letting the world know his goal, and Secretary of State Dean Rusk stated on a Meet the Press program in January 1963 that the government is pursuing this goal.

The speech was written by Jews, as indicated by the unmistakable references to "our" forefathers, and such meaningless phrases as "indivisible liberty of all," and such laughable ones as "to weave from all these tangled threads a fabric of law and progress." Authorship of the speech is further proven by the double talk; for instance, independence is regarded as something to be gained, only to be yielded in a new kind of alliance called interdependence. Walt W. Rostow, the Jew who heads the State Department's policy planning agency, had previously called this kind of alliance "exciting new relationships"

In letting the world know their goal, these speechwriters for the President of the United States told Europe what its first order of business is, thus giving us a good idea what they mean by "independence." It has always been assumed that independence meant sovereignty, the right of nations to decide their own business. But these Jew writers are telling Europe what it must do. They say Europe must develop and coordinate its policies in all economic, political and diplomatic areas. (The Jews never omit an area, the unique trait of a race which never created one.)

The speechwriters also referred to all segments of government, and the necessity for comity between the national government and the states. Then they said the union of free countries is the ultimate goal, though these

THERE ARE NO SUCH THINGS AS "HUM

R GOAL

same speechwriters deny the individual states in the U.S. their rights as sovereign units of the Union, and did not hesitate to attempt to remove the tangled threads with bayonets when they wanted "comity" between the Union and the states.

The speech then stated that united countries could mount a deterrent powerful enough to deter any aggression. But America could have deterred the communists in Korea, in Laos, and innumerable other places, though such action was deterred by the same writers who want to "mount a deterrent powerful enough to deter any aggression."

What aggressors are these speech writers speaking of? They are speaking of free countries attempting to remain free. This is what they mean by aggressive nations. Their idea of interdependence is plainly another word for the kind of alliance in which nations will become subjugated to the Jews. The first such alliance was the League of Nations, an unsuccessful attempt by the Jews to unite the civilized world under their control. Their United Nations is being far more successful.

In other words, the enforcement of alliances and unions, as in the Congo, are attempts to break down independence and create interdependence, under world Jew-Communism, in order that the civilized, productive nations may support "underdeveloped" populations of the world. An "aggressor" therefore, for whom a deterrent will be mounted, will be any nation who resists the Jews' plan for interdependence and world domination.

The press for the most part acclaimed the President's speech and called it great.

the world saw in Mississippi was a democratic nation putting its house in order."

What the world did not see in 1917 was that the Bolsheviks who accomplished the revolution in Russia were Jews with a few gentile accomplices as fronts, and from 1929 to 1934 that 5 to 6 million Russian gentile peasants were slaughtered by the Jew-controlled Soviet government.

What the world could not see in 1957 at Little Rock, and in 1962 in Oxford, was that the armed invasion of Arkansas and Mississippi was engineered by Jew-Bolsheviks and their gentile accomplices in the United States government.

What the people do see today, on Jew-owned television, are documentaries on the Soviet Revolution that do not mention the Jews' part in it, and on Nazi Germany that emphasizes "persecution" of the Jews.

In September 1949 the Russians exploded an atomic bomb, and the newspapers speculated as to how Russia captured all the German scientists during the war. Nothing was said in the press about the fact that a Jew was head of the United States Atomic Energy Commission at the time.

Brotherhood

A report in one Jewish newspaper stated that a nuclear attack on the U.S. would kill more Jews and Catholics than any of the other "religious groups," since Jews and Catholics are concentrated in large cities.

The Right to Fight?

The Jews are rejoicing because Philip M. Klutznick, the Jew who served as America's Ambassador to the United Nations Mission, is resigning and will therefore be available to hold office in Jewish communal leadership, perhaps, they say, to play a role toward uniting Jewish organizations in the U. J. A. effort. The Jewish Post and Opinion credits him with a love for his own people.

Editorially, the same newspaper stated that "you get only what you fight for," in regard to racial rights.

If the Jews thus admit that it is justifiable to love one's own and to fight for racial rights, the American Nordic, the world's best fighting man, can go ahead with a clear conscience.

IAN RIGHTS" AND "UNIVERSAL MORALITY"

Issues before Congress which the Jews have reported to be of interest to the Jewish Community in America are 1)Immigration, 2)Anti-filibuster measures, 3)Civil Rights, 4)Soviet anti-Semitism and 5)Arab discrimination affecting Americans.

In regard to Immigration, the biggest story in a recent issue of the Jewish Press stated that immigration should be based on national origin, without bias. According to their own figures, Jews have come to this country at the rate of 150,000 a year, from all countries. Without "bias" they can continue to absorb quotas from France, England, Germany, Italy, etc.etc.

In regard to filibustering, this legislative safeguard works against them, so they call it "archaic." Filibustering may be a tiresome old practice, but human nature being what it is, the alternative would be worse. The Jews must not be permitted to destroy our laws.

In Civil Rights, the Jews are also urging state legislatures to outlaw discrimination because of race, creed or color, in the rent, sale or occupancy of private realty.

Soviet anti-Semitism, not Soviet encroachment on the world, is the sin which concerns the Jews. They want back their control of Soviet Russia.

Their concern about Arab discrimination against "Americans" is deceptive; Arabs do not discriminate against Americans--they discriminate against Jews --from America or anyplace else.

White Christians have the same right to put their bills before Congress, in the interest of the "White Christian Community."

The Holier-than-Thou

At an institute sponsored by The National Conference of Christians and Jews last November, Dr. Franklin H. Littell, a Protestant, said "it is a lie" that the drafters of the Constitution created a Christian America. He said this is a legend that is used to justify bad citizenship and degenerate religion.

Dr. Littell seems to want to substitute a different legend. This subtle attempt to give the Jews an opening wedge is typical of the way many so-called Christians are selling out their own people with the communistic tactic of degrading the white nationalist with such holier-than-thou expressions as "bad citizenship" and "degenerate."

The Constitution was created by Christians, not Jews. And whether the Founders were all devout or not, they were all Christian in that they knew that in an imperfect world we must live according to mutually understood principles that cannot all be written into law. In this sense it can be said they created a Christian America.

For every understood principle the Christians live by, however, the Jews have tried to write a law, down to forcing people to report whom they take to a business lunch and

what they eat--the latest example of the Jew's uncontrollable desire to tell the gentile what to do, to rule his every action and make him live by the law--by Jew-communism. And Dr. Littell speaks of Christianity as degenerate when people try to live by principles that are understood by most non-Jews.

And the "Moral" Ones

Not long after Robert Kennedy became Attorney General he said the United States would probably have a Negro president within 40 years.

The Attorney General obviously thought it was comforting to the Negroes to tell them they would have one of their own in high office in the U.S. Yet if a white man says it is important to him to have a white man in that office, he is told there is no such thing as race, or that he is bigoted.

The Lysenko theory maintains that environment has something to do with ability, and that Negroes are therefore entitled to the same opportunity as the white man.

But environment is the product, not the cause, of aptitudes. To the moralist who insists that Negroes should have the advantages of white society, it must be pointed out that the people who produce the environment must have the right to choose their own for office.

AMERICANS! WHAT IS the

World Jew-Communism involves every phase of life, but the one issue which underlies all the rest is integration of the races.

The Jews have therefore put integration at the head of their list, knowing that all the remaining goals will then be accomplished with little difficulty. They have led Americans to believe they are not "facing reality" or living according to the "twentieth century" if they do not accept racial integration. They have made Americans believe that it is the destiny of their country to show that integration can work—that it is even the purpose of the United States to make it work. They have made the people believe the Founding Fathers endowed their government with a kind of magical power the Founders themselves did not foresee that makes integration imminent.

As a result, many Christians are piously telling their brethren that "they are no better than the Negro, and that Ralph Bunche would not want to sit by you either." These so-called integrationists make the segregationist feel as if he has a kind of inner hate the integrationist does not have, or that he "just hasn't been thinking." One is hardly permitted to speak of the white, or Nordic, race; to do so is a sign you are a bigoted ignoramus, or not a humanitarian.

The people have also been made to believe that integration has progressed so far by now there is no use trying to stop it. To resist integration is to "turn back the clock."

The biggest lie promulgated by the Jews is that we must all live together in order to have peace, and that national independence is the cause of wars. They have put forth a vague concept of a world with racial tolerance and aid to emerging nations (since this is all one world, they say), under a "universal morality." Not to accept this vague concept of right and wrong is to be a "cruel reactionary."

There has never been a time in history, however, when a government and culture did not fall after the black race was mixed with the Nordics; and today the United States Army is being used against its own people by Bolsheviks in the government to enforce "reality," and "inevitability."

Christians who are advocating integration and saying it is moral and inevitable are the very ones who look out for themselves first, however; to them integration is something the

Approaching "Reality"??

"other people" must accept. Integrationists have proven themselves almost without fail to be preaching something they have no intention of practicing. And they become hoity-toity if you suggest that they deprive themselves of the advantages produced by centuries of Whites and make themselves dependent upon Negro culture.

Many of the integrationists say they are not advocating inter-marriage of the races, but only that Negro and White children should go to school together early in life so they will not grow up to be prejudiced and will have equal opportunity. The self-deception and hypocrisy in this is so obvious it is difficult to believe White people can be so unthinking.

It is the integrationist who is not "thinking." And his hate not only exceeds that of the segregationist, it is diabolical as well.

Then there are the fence-sitters who feel they are outside the issue, and that it is only the other people who are "making a fuss." Such people are even less moral than the dedicated Christian who for humane reasons may think integration is right.

Then there are those who feel that the good sense of the American people will prevail if some of the people just don't get rattled and do all that rabble-rousing. Many conscientious Americans feel this way, and certainly world-communism is not going to be defeated by losing our heads. But too many Americans hide behind a faith in the "American way" while they look out for their own interests—that is, the best neighborhoods, and so on. Those who say others are too emotional about the "take-over" are the very ones who have the strongest instinct for self-preservation. It is they who make rabble-rousing necessary.

Then there are those who say "life on Earth is short, anyway, and in Heaven there is no such thing as color." These also look around for the best neighborhoods, and restricted resorts to spend their "short" vacations. Many soldiers have died early in their lives for those who say life is short. Furthermore, Christians who escape the problems on Earth by telling themselves Heaven is the Goal are at the same time enjoying life in a nation founded by men with foresight, the human attribute that produces civilization.

(Continued on next page)

The Jews on the other hand also teach Americans to think only today, and of consumption, while they themselves think of the future (on Earth) and the fulfillment of their plan to rule the world.

Then there are those who say "the pendulum always swings back," and not to get alarmed.

There has never been a time in history, however, when the Jews ever "swung back" on their own—and today they are advancing, with the United States Army at their disposal.

There are some patriotic groups which assure us they "know the score, all right," in regard to the Jews, but that they "just aren't saying so out loud." These groups apparently believe that they can preserve American sovereignty and Gentile culture by simply sticking to "principle" and not mentioning the Jews. They believe that in fighting the evils produced by Jews—that is, by standing against the Council on Foreign Relations, against the Federal Reserve System and money lending, against federal mental health programs, against integration, and so on, they will eventually put the Jews out of power without having

to mention the word Jew. In this way they will not risk being called "hate mongers."

But Jews can think of ways to get around the Gentiles faster than Gentiles can teach the facts. The Jews will always produce lies faster than people can correct them. Life with Jews is a never-ending matter of wading through confusion and deceptions.

It is necessary to remove the cause, not the effects, and the Jews are the cause. For this reason, all Jews must be considered enemies of the United States, for there has never been a Jew who does not consider himself a member of the Jewish community first and his responsibility to his Gentile brethren second, if at all.

The problem which faces this generation in the United States is the preservation of the White race. This is the world's biggest problem today, and it is consequently the destiny of the United States to solve it. Without exception, every Jew advocates mixing Gentiles and Negroes. They know that if this is accomplished in the United States the White race will vanish from the face of the Earth.

It will be asked why another organization should be formed when there are already so many patriotic groups fighting communism. The reasons for forming this organization are:

1. Since communism is part of the Jewish plan for world domination, it is useless to "fight communism" without recognizing its source as Jewish.
2. There must be an organization which deals solely with the problem of wresting the Jews from political and financial power; this is the only way to end the communistic influence on our culture.
3. This organization must deal with the problem openly in order to avoid deluding the people as to its purpose and wasting time "fighting communism."
4. The organization must be a citizens organization—that is, one that is not dominated by one particular religious belief or political philosophy. All the people, of all Christian denominations and political parties, must be united toward this one goal.

It would be a cruel joke to call the events in Birmingham a "comedy of errors." But in the most important aspect, that's what it is. --Or perhaps "tragedy of errors" would be more appropriate.

Up until about two years ago the Jews, the Communists, the NAACP, etc., had things going beautifully according to a precisely planned timetable for the destruction of our race and American republic and the erection of their Jew-Communist, black, Zionist-dominated U.N. one-world.

Then two things happened which they least expected and forced them first to speed up their time-table and finally to commit a series of rash acts which are now getting out of hand.

The two groups they imagined were most brain-washed and docile suddenly produced fighting "anti-bodies" which threatened to grow strong enough to overwhelm and destroy the Red Jew germs of chaos and slavery.

From out of the shuffling ranks of the millions of idiotized, Jew-TV-soaked and suicide-bent Goyim who are so happily binding themselves up in the golden chains of the Jews, rose an utterly improbable counter-force which the Jews imagined was long beaten to death and incapable of so much as one more wriggle. While the enemy had included in his schemes brilliant plans for countering and destroying the expected "patriots," "nationalists," "conservatives" and "right wingers," the Jews never, in their wildest dreams or nightmares, imagined they would again be confronted with the "beast" of naked Nazism. But the steady rise of National Socialism all over the world, in spite of the overwhelming terrorism and unheard-of anti-Nazi propaganda against it by the Jews, could not be and has not been stopped. Just as happened the last time, in 1929, they had their world revolution close to the point of complete success when Adolf Hitler's meteoric rise completely "loused up" the Jew schedule for the rest of the world--so now the growing threat of the American Nazi Party has forced the Jews (just as we calculated) to more desperate and foolish counter-measures which are "lousing up" their second set of plans for world revolution. In short, our rise is forcing our opponents at last to appear in their true colors--**AS TERRORISTIC, FANATICAL JEWS**--instead of as invisible operators of a Utopian, one-world, "bortherhood" scheme.

At about the same time, an even more improbable disruption of the Jew time-table burst into the middle of their Machiavellian plans.

From out of the rotten ranks of the lowest scum of humanity--the half-ape, Congo cannibals transplanted to America--rose two incredible men with an ability for leadership which can only be seen as miraculous in view of the utter failure of these people to produce anything but savages and slaves for hundreds of thousands of years. Out of the unspeakable black ghettos of America; out of the dope, filth, prostitution, dice games, razor fights and utter degradation of black America rose two men of truly heroic proportions--Elijah Muhamed and Malcolm X.

These two amazing black men, rising to the Spartan and Puritanical mold of most great leaders of powerful mass movements, actually managed to do what the "humanitarians" and race-mixers so piously preach--they rescued and cleaned up hundreds of thousands of the vilest, filthiest and most degraded people on earth--the criminal Negroes of our great city slums.

The Black Muslims of Elijah Muhamed and Malcolm X are **FORCING** the Jews out into the open, **AS JEWS**, in the eyes of the savage black army formerly led by Jew Spingarn of the NAACP and Jew Rich of CORE--just as the American Nazi Party is **FORCING** the Jews to expose themselves **AS JEWS** to the duped "Christians," "humanitarians," "peace lovers" and Utopian one-worlders. Both the Nazi and the Muslim movements are branded by all Jew-controlled media of information and entertainment as inconsequential "hate groups." But the fact that all the power, wealth and conspiratorial genius of world Jewry has not sufficed to stop the growth of these healthy "anti-bodies" in both the White and Black races, is proof that neither the Nazis nor the Muslims are "inconsequential"--nor are they so considered by the Jews.

In fact (and this leads us up to Birmingham), these two groups, the Nazis and the Muslims, **ARE ALREADY RESHAPING THE WORLD**, because of what they are **FORCING** the whole Red machinery of the earth to do--things which, were it not for the Nazis or Muslims, would never have happened.

Birmingham is one of these things.

The sugary lies, "tokenism" and hypocrisy used by Jewry to keep their black army trudging along after their Jew carrot-on-a-stick were successful--until the Muslims came along **AND BEGAN TELLING THE NEGROES THE TRUTH--THAT THE JEWS ARE USING THE NEGROES--NOT HELPING THEM**. All at once the wretched black men began to notice that the sellers of the rot-gut whisky, the dope, the dice, the pornography and the rest of the moral filth

which keeps the Negro rotten and depraved, were JEWS! The operators of the sweatshops were more Jews, even while still other Jews were collecting millions in dues as great labor leaders, like Mr. Dubinsky. Elijah Muhamed and Malcolm X began pointing out that it was these same Jews, like Arthur Spingarn and Marvin Rich, who headed and were USING--the NAACP and CORE, respectively--not Negroes!

There is something about the naked truth courageously fought for, which simply cannot be beaten out of existence. In spite of the terrorism and lies of the Jews that both the Nazis and Muslims are "hate groups," more and more Negroes began to see that the Muslims were black men who truly loved the black race and were determined to fight for it, even though this meant a deadly battle with the Jews who had been using the blacks as battering rams against white society for the benefit of Jews. Before the growing might of the Muslims, armed with the truth, black Judas goats for the Jews and/or Communists, like Martin Luther Coon, Roy Wilkins, etc., began to look truly pitiful to the black masses.

Just as fear of the Jews keeps millions of ordinary White men from declaring their allegiance to our Nazi principles, so fear of the Jews and of other economic factors keeps millions of Negroes from admitting their admiration for Elijah Muhamed and the Black Muslims. Nevertheless, the true instincts of the White people are leading their hearts toward the American Nazi Party so the natural instincts of the Black men in America are leading them inevitably to the Black Muslims.

In short, the rise of the anti-Jewish Black Muslims now threatens the whole enormous structure of the Jew-led black army built with such loving care and so many millions of dollars over so many years by the Jews. The NAACP and CORE, led by the same Jews whom the Negroes now begin to see are exploiting them everywhere, begin to look sick and rotten. They just can't cut the mustard with the black masses any more. People are now seeking the cause of the sudden explosions led by such as Martin Luther Coon in the murder of the postman, in "Negro impatience," and a hundred other places where they will not find them.

Birmingham is the answer of Jew-dominated nigger Coon to the Black Muslims.

Elijah Muhamed and Malcolm X have already won over the hearts of the Negro masses so that Jew toadies like Adam Clayton Powell, A. Philip Randolph and the rest of the rotten, Jew-dominated black leaders HAD TO DO SOMETHING DES-

PERATE in hopes of regaining mastery of the black battering ram they have so carefully built.

Malcolm X is unquestionably a "fighting champion" to the oppressed, exploited and discouraged black masses. Malcolm's bitter and telling criticism of Martin Luther Coon as a Jew toady has had enormous effects on the Negro masses and Coon was on the way down the drain unless he, too, could somehow become a "hero."

So, in spite of the deadly danger of actually loosing the mad dogs they had incited to the point where they might lose control, the Jews and their black toadies were FORCED by the success of the Muslims to resort to desperate measures never included in their neat time-table of subversion and inch-by-inch destruction.

All during the last few weeks, while the Reverend Coon has been putting on his nigger war in Birmingham, I have been enjoying his discomfort at the fear he must have that the desperate play will get out of hand. The Jew Communist idea is to WEAR DOWN the South's resistance with beautifully calculated blows, always just enough to keep the South retreating and discouraged but never quite enough to rouse it to mass bloody action which might eventually trigger a race war all over the country which would utterly destroy the value of the Jewish-led army of blacks. A hundred times in Birmingham I enjoyed watching the enemy generals curl up with horror when Negroes and Whites began to run for their guns, bombs and dynamite. This was not what the Reverend Coon and the Jews wanted. They wanted heart-rendering pictures of the dogs chewing helpless old nigger ladies, brutal White cops pounding gentle nigger preachers, etc., etc.

The proper reply for the White men of Birmingham to Mr. King's calculated propaganda tactics would have been to have cleared the streets and allowed the Negroes to walk about, sing, and pray to their hearts' content in the streets. There would have been no heart-breaking pictures and no heroic martyrdom for the foxy Mr. Coon. With no flash bulbs popping, no TV and no excitement, the herd of coons would have gone back to their wine bottles and crap games in a few hours and the Battle of Birmingham would have been over. Instead of that, Mr. Connors accommodated Mr. Coon almost as though Martin Luther wrote the script and directed every movement of the play, right down to the dogs, the hoses and the jammed jail cells.

Even at the height of the black stampede, I thought of a way to turn the tables on the enemy. But, as usual, everybody is so afraid of us and afraid of trying anything except the same old force

and violence, that I was helpless to do anything.

Had I had only a few thousand dollars, I could have utterly destroyed the nigger victory in Birmingham. I was just dying to purchase 2 or 3 hundred monkeys, tie the little integration signs on them and turn them loose in the middle of General Martin Luther Coon's nigger army. Can't you just see the headlines: "NEGROES AND MONKEYS STAMPED-ING THROUGH BIRMINGHAM!" and "MONKEYS WITH INTEGRATION SIGNS LEAPING FROM TREE TO TREE, CRAWLING UP THE BUILDINGS, ANSWERING CALLS OF NATURE ON THE BURR HEADS OF THE UHURU FIGHTERS!" and otherwise making the whole damned thing so ridiculous as to turn the tables on those who are trying so hard to make a fool out of the White Man.

(Incidentally, I stand ready, willing and able to carry this plan out whenever some White patriot with imagination--and money--recognizes the need to try something else for a change, than the same methods which have just about destroyed the white South as it was for 200 years. Even if I don't get to do it myself, I heartily recommend the monkey technique in further cases in the South. We have an ape suit which I always use when we counter-picket CORE and the NAACP. I have the "ape" picket alone and carrying a sign like "Ah wants to be equal, too!" & "Ah wants to eat wi' de white folks!" This almost breaks up the on-lookers and makes the coons shuffling along for race-mixing look so ape-like and ridiculous that most of them quit and go home. Time after time, here in Arlington, we have broken up race-mixing attempts with Nazi picketing plus the ape technique. It could work wonders in the South--when they tried to put the coon in the University of Alabama, for instance. If, instead of trying the impossible job of blasting the coon out the university, he were followed around by a couple of apes and a troop of monkeys with bananas and other forms of ridicule, he would become such a laughing stock--instead of a hero and martyr--that he would crawl out and disappear some dark night.)

Temporarily, the Reverend Coon is basking in his glory as a "hero." Unfortunately, even the Black Muslims are being taken in somewhat by these latest Jewish moves. However, even the dumbest Negroes cannot remain blind forever as to what is going on down there when every Jewish paper in the country is gloating over THEIR victory down there and New York sends a special plane-load of Rabbies to Birmingham to help mastermind the insanity.

While there are unquestionably some horrible days and nights ahead, it is nevertheless delightful to consider the miserable dilemma into which the Muslim success has plunged the Jews.

They can't run around all over the South explaining to the millions of ignorant Negroes the intricacies of the Jewish game. And these Negroes in other cities, observing the "great success" in Birmingham, are rushing to try the same act themselves. This is definitely not in the script and the Jews are quietly scurrying around the South trying to maintain control of the situation. Should Birmingham touch off a general uprising of Negroes everywhere, it would be for the Jews what Hungary was for our side--a premature up-rising which would result in the utter annihilation of the cream of their "troops."

Already the blacks in the ghettos in every great city are on fire with a desire to play water-hose and police dog and "get equal" RIGHT NOW.

The problem of the unhappy Kikes now is to keep Martin Luther Coon and his ilk built up as heroes to offset Malcolm X--but to keep their Jew "heroes" from doing anything actually heroic.

They won't be able to do it.

The Nazis are driving the Jews to self-exposing and desperate acts such as laws banning the Swastika, forbidding meetings and free speech and finally to out-right physical terrorism in the streets in plain view of all America.

And the Muslims are forcing the Jews to try to build up nigger "heroes" to compete with the truly great Malcolm X. But in the desperate process, they are loosing a whirlwind which is already far beyond their control.

Faster and faster the wild whirlwind is sweeping the Jews up into a desperate frenzy which will ultimately consume them.

Birmingham is actually the first blow of a black Communist revolution in America. A mob in the streets is already threatening a governmental unit with more mob violence if criminal laws are not suspended for the benefit of the mob--AND THE UNITED STATES GOVERNMENT HAS ALREADY SENT TROOPS--TO BACK UP THE MOB!

We have long preached that America and the White Race cannot save themselves as long as the Jews kept advancing by cautious increments--never enough to arouse our people to passionate resistance. Without the Nazis and the Muslims, there was nothing on earth to give hope that the creeping terror would ever be stopped.

But now, as usual in their 4,000 year history of winning all the battles and then losing the war,

the Jews are getting desperate in the last moments and OVERPLAYING THEIR HAND. As tragic and evil as it is, therefore, from the long-range point of view, Birmingham is one of the most hopeful signs that our America and our White Race WILL BE SAVED.

From a wasting, chronic disease, which has been so slow that the patient did not wake up and take any counter-measures, the Jew-lead, Red, Black revolution in America is rapidly moving into an acute and painful stage which can no longer be ignored by the dying patient.

The White Race begins to feel the death rattle in its throat as the blacks are incited to a state of open warfare against it and as the Communist "Worker" reports, 20 Rabbits flying down from New York to mastermind the attack. If the blacks get out of hand and can no longer be controlled by black Jew puppets, like Martin Luther Coon, the game will be all over for the Jew master planners.

For five years we have built and prepared for the mass race violence and the economic catastrophe we know has been made inevitable by Jewish operations on our race and our republic. Without these cataclysmic events, our race and our people would slowly waste away--as the Jews hope--and finally perish without ever rousing it to active and effective resistance. The racial and economic catastrophes which are brewing in America at this moment, are like the final fever in a deadly disease. They will mount to a peak, during which life and death will hang by a hair. But our race and nation, just as did the Germans before us, have developed the necessary "anti-bodies" to destroy the germs of the fever and conquer the disease at the last moment.

Jew Communism and nigger revolution have started the final battle with Birmingham and the end result will be that every last one of the filthy germs which have caused this unspeakable catastrophe will be destroyed by the "anti-bodies."

Life as **WILL and ORGANIZATION**

(NOTE: This article is personal philosophical speculation. It is not to be considered part of Party Doctrine or Dogma,

While in Chicago for a legal battle and a speech, I had some free time to study and I used it to investigate something I have never been able to understand--Vegetarianism.

Hitler was a vegetarian--and this has always frustrated me. I have never been able to find any reasons which convince ME that Vegetarianism was better than a balanced diet. My father was a vegetarian and I know many great men were vegetarians. If such an unparalleled genius as Adolf Hitler was a vegetarian, I have always felt ashamed that I was unable to see the REASONING behind the "fad." Nevertheless, I COULD NOT, and STILL can't see it. I believe in Nature, and Nature gave us meat-eating teeth like the carnivores, something She did NOT give to animals intended to be vegetarians.

Nevertheless, the superior health and very real genius of many famous vegetarians pointed to the fact that there was something in all of it.

I devoted two day's spare time to finding out what that "something" is. I think I found it. And a lot more.

Unlike most of what appears in these REPORTS, which are based solidly on scientific FACTS, this article is the result of that study and speculation. It is mostly opinion, not to be considered part of the Nazi "catechism." I present it solely because it might be helpful and of interest to others who have pondered the problem. And it should be stimulating to all.)

When I was catapult pilot aboard the old World War I cruiser, Omaha, during World War II, I lived in "The Black Hole of Calcutta"--junior officer's quarters--with a young officer fresh from the Naval Academy, Ensign Rosenberg (German). He was one of the healthiest specimens of manhood I had ever met.

A few years after World War II, when I was out of the Navy, between wars, I picked up a copy of the Reader's Digest and read an astounding story about young Ensign Rosenberg. It seems this vigorous young man had developed not one, but hundreds of cancers. He had been given up for dead by the doctors. NOTHING could save him!

Yet Ensign Rosenberg refused to die.

And he DIDN'T DIE.

He experienced a "miraculous cure."--But without going to any religious shrine, without medicines and without any special "fad" diet.

For years I stowed that bit of information away in my mental filing cabinet under "pending"--until I could gather enough other information of our human existence to make some reasonable sense out of it.

Just last week in Chicago, as I studied books on food "fads," miracles and other scientific "wonders," I found the place in which I believe Ensign Rosenberg's unexplained "miracle" fits.

In a sense, I believe it WAS a "miracle." But not in the sense that the Supreme Being made any special dispensation to effect it. I think Ensign Rosenberg's "cure" was part of the CONTINUING "miracle" of what Schopenhauer called "Will" in his "World as Will and Idea."

That miracle is what most people call "life," religion call the "soul," and I call "Will." Science and materialists tend to think it is a completely material process, eventually explicable and controllable. Religion claims it is ALREADY explicable and even somewhat "controllable" as the "gift" of a Supreme Being, who can and does shift things around when He or It is prayed to enough. I am open to conviction by either side in this eternal controversy. But I think they are BOTH wrong, which is why I am an Agnostic (NOT an "atheist"). I believe that there is an UNKNOWABLE FORCE at work in the Universe and that it is the manifestation of this FORCE which is called "spirit" or "soul" or "life." And I think there is PLENTY of evidence to show that this unknowable force is superior to the material forces of physics, chemistry, etc.

Perhaps one of the clearest and simplest examples of the force of "will" of which I speak of is the way a small and even puny little man will often beat the hell out of a huge, strapping man, simply because of the burning FIRE of the spirit inside him. The man in the street expresses this very aptly. "It's not the size of the dog that wins the fight," he says, "it's the size of the fight that's in the dog!"

I am aware that materialists will immediately "explain" this away by a combination of heredity and environment, etc., in the little dog. But this "explanation" does not satisfy me any more than does the "explanation" of the priests and preachers who ALSO "explain" it with an "explanation" which satisfies most of the human beings on earth--but not me.

What the materialists FAIL to "explain," to my satisfaction, is the part about the heredity.

I am a RACIST, and as FIRM a believer in

heredity as any man ALIVE. That is as near my "religion" as I can get. But I cannot understand, and do not pretend to understand, how the "fire," the "drive," the "fight"--or "SPIRIT" in animals, including man, can be DETERMINED and passed on CHEMICALLY in genes or chromosomes. That these building blocks of life determine PHYSICAL characteristics, there can be no doubt. And that there are mechanical and material "explanations" for most of the processes and developments of human life I can easily see. I even believe that "life" will eventually be synthesized in a test-tube.

But that the unquenchable FIRE that I feel inside of my OWN PERSON to do what I am doing, in spite of dangers, desertions, imprisonments, hate and even death--I cannot believe is caused because my CHEMICALS are different than those passed on to my brother and sister who sprang from germ plasm relatively the same as my own and who grew in the same womb. I can FEEL inside of me, and personally experience something I don't believe I will ever totally understand: burning FIRES, DRIVES, DETERMINATION--just like the fight in the little dog.

To me, at least, Adolf Hitler is totally inexplicable in terms of chemicals and electricity, etc.

Adolf Hitler came from an utterly undistinguished family. There is no evidence at all that there were genes or chromosomes of sufficient potency, in any combination, in his forbears, to produce the unheard-of, immortal genius of this great man.

Let me make it crystal clear that I am not advancing the idea of any "soul" or any conscious Supreme Being. There may be such things. But I am STILL an Agnostic, until somebody can show me HARD-BOILED evidence (which I am permitted to investigate) that there are any of the "Gods" so far produced in world history.

All I am saying, and I believe there IS HARD-BOILED EVIDENCE for it, is that there exists in the Universe an unidentified but powerful FORCE, and I believe this FORCE is what develops two microscopic little germ cells into a complex animal, and that the AMOUNT of this force determines how much "fight" there is in the animal--including human beings.

Schopenhauer called it "will," and I think that is the best term for it, although I still feel it is UNKNOWN. We have not explained it, only named it. But we do know SOME things about it.

This "Will" is what makes you look like you

The same gang which "debunks" RACE, also "debunks" all connection between what a person LOOKS like and what he ACTS like. But, from personal experience, I have learned as a FACT, that mousy looking people ACT like mice--or rats--bearish looking people ACT like bears--and, in general, you look like what you ARE and you ARE what you LOOK LIKE, especially as you get older. I have discovered that you can even assume the physical pose and facial expression of certain people--hunched-over Jews, for instance, or a stupid, ape-like nigger--and you find yourself FEELING INSIDE the way a Jew or the coon ACTS.

I believe this force or "WILL" is the very ESSENCE of the sperm cell. "Empathy" this is called. Millions of these cells are launched at each conception, and only the one with the greatest FIGHT or WILL ever manages to swim and struggle, like a Columbia River Salmon, all the way to an egg and then penetrate it.

Nature insures that only the STRONGEST WILL survives and the rest perish. And here comes my own speculative contribution. I believe that the successful sperm cell which launched YOU, for instance, already contained all the WILL you have ever had and will ever have. Each individual gets his ration at conception, and no amount of "exercise of will" can ever make it GROW--although it can be consciously brought into full play--or allowed to die from disuse.

I believe that this fully developed will then went to work inside your mother's womb to EXPRESS ITSELF PHYSICALLY--it PUSHED out the arms, legs, organs and FACIAL FEATURES which are the essence of it. In the process, it went through all the evolutionary changes it experienced in the millions of years from amoeba to man. And when it arrived in the world, it began pushing even harder to make the "you" of which you are aware this minute into a physical reality. It PUSHEED out the features and form which "looks-like" "you."

In doing this, the first task was ORGANIZATION.

The "force" or "will" had to MASTER all the material of your being and bring each cell, each corpuscle and even the extruded dead matter under ORGANIZED control. If the "will" is not successful in doing this, various organs or parts get out of hand and the "you" becomes a "monster."

As long as the WILL remains supreme master of the body and ruthlessly puts down rebellions by any organs and invasions by germs, etc.--you live and grow.

But when the "will" weakens, or even disappears,

as happens with many hospital patients who are not sick enough to die, but die anyway, you "die."

If something physically overwhelming attacks you from outside, like a bullet, for instance, it DISORGANIZES more than your will can RE-organize. When you are violently killed, unless you are crushed to utter jelly, ALL of your material being doesn't die instantly. Your hair and nails grow, and millions of cells live on, finally dying only from lack of nourishment, bit by bit. What constitutes the "instant" of death is the moment your WILL is no longer able to maintain ORGANIZATION. The moment of death is NOT when you stop breathing or your heart stops beating, because many people have been "revived" long after these events. The moment of "death" is always the moment that too much of you is PHYSICALLY disorganized for your will to master it; conscious or unconscious, or when the will itself subsides and everything just slows down and stops.

To return to the main stream of argument here, and to recapitulate, I believe that the "vital" part of "you" is the product of WILL and ORGANIZATIONAL MASTERY of the Physical "you" by your "WILL."

But what has all of this to do with "vegetarianism"--and cancer?

I believe that it is the use of your vital WILL, alone, which is responsible for the "miracles" of religion, the potency of "health foods", the "health" of the "vegetarian"--and the cancer cure of my friend, Ensign Rosenberg.

There is plenty of scientific evidence to support the theory that you do not live without a WILL to live--and that death is almost synonymous with DISORGANIZATION. Millions of living cells in your body after you are fatally shot do not make you "alive," because the whole system of organs, etc., is so disorganized it cannot be RE-organized (or "revived," as such reorganization is called).

For years researchers have been spending millions of dollars and millions of man-hours searching for the "cause" of cancer. They have been hunting for "something." I think what they have been looking for is more properly described as "nothing"--at least nothing material.

Now it is already well established that cancer is not, in itself, an ordinary "disease"--but that it is a sudden and so far inexplicable mutiny of ordinary and useful body cells which suddenly grow WILD, out of all proportion to their function, and devour all the nourishment and choke up the rest of the material processes.

The analogy between a cancer and a "mutiny"

In human affairs is not close, it is PERFECT. And I believe that the CURE is precisely the same as the "cure" for a mutiny among men: the reassertion of MASTERY over the mutineers.

Thus I believe that cancer is a product of unconscious relaxation of the WILL, usually as the person ages, and the resulting disorganization of the organism in one or more places, the "mutiny" of some cells which no longer do as they are told, but begin to do as they individually want--the same rampant irresponsible individualism we see all over America today.

The reason cutting out the cancer so often fails is the same reason that throwing mutineers off a ship doesn't always prevent an eventual mutiny, AS LONG AS THE CAPTAIN IS WEAK OR INCAPABLE OF MAINTAINING ORGANIZATION.

There are certainly many substances which can PREDISPOSE to cancer, but they don't CAUSE cancer. They simply make it POSSIBLE in an individual whose vital force, his WILL, can no longer maintain order in the face of such IRRITATION.

All the "value" of health foods, Christian Science, vegetarianism, chiropractic religious "miracles" and the so-called "fads" so eternally condemned (and not understood)--by traditional science and medicine--are derived from their effect on the WILL--the unconscious, illogical, vital FORCE which IS "you."

When the food fadist eats nothing but bear's ears and then beats a "fatal" disease and gets extra healthy, the actual chemical process, although there MAY be something to it, is minor, compared to the tremendous effort and exercise of WILL one must exert to eat bear's ears as a steady and exclusive diet.

Imagine the effort of WILL it takes to be a Christian Scientist and be dying of cancer--and refuse medical help or even pain killers! The vegetarian puts himself on a diet which FORCES him to exert maximum effort of WILL. This coupled with the fact that he usually cuts out vile poisons like nicotine and alcohol, is BOUND to make him healthier than his fellows. The part about not eating meat is what he THINKS makes him healthier--but what REALLY does it is the fact that he is EXERCISING HIS WILL, the vital force of life itself, more than his softer fellows.

The same thing is done FOR the person who is healed by "faith." Somebody ELSE provides the vital WILL to produce an illusion in which the believer believes. And, believing, he scoops up a helping of "will" from the particular faith healer, hypnotist, psychiatrist, spiritualist, chiropractor, etc. --much like a transfusion.

I am aware that I myself may be indulging in the very self-delusion I claim is used by the "faddists"--but I am sufficiently convinced of it on the basis of what seems to me to be verifiable, hard-boiled evidence, that should I ever get cancer, I shall consciously use every page of the book of the vegetarian, the faith healer, the spiritualists, the chiropractor, etc. --not by becoming these things, but by conscious application of what I think they all use unconsciously to achieve their many undoubted successes.

The cure for cancer, I believe, is to put yourself on the STRICTEST and HARDEST POSSIBLE regimen, not only of diet, but in every aspect of living. The cure is to become MASTER of one's body, and, to do that, it is helpful, at least, to harden and steel the body by utter self-denial.

Where all the fads do this by indirect means, I shall do it by direct, conscious and scientific methods, should the need arise.

And I have as much faith as any "faddist" that the strength of the human will is utterly UNCONQUERABLE (within the bounds of the laws of physics and other material science, in which I also believe. I would not attempt to jump up and "fly" nor to live forever.) But I DO believe that any human with the strength to breathe and eat CAN muster enough will to destroy any cancerous mutiny within his body.

I have already proved to my own satisfaction that it is possible to work a political "miracle" by sheer will-power alone. . . . I'll be damned if I can't do the same thing inside my own body.

Sensational sex exposé in 'THUNDERBLOT'!

Recently, a lady in Washington, D. C., who joined my first political organization back in 1957, sent us affidavits and photographs which she claims prove that President Kennedy has been engaged in an illicit love affair and has even been so brazen as to move his paramour into the White House as his wife's press secretary.

She has the lurid, sensational details, affidavits, photographs and tape recordings to back this up, of course. But this story seemed to us to be more suitable for a scandal sheet than the ROCKWELL REPORT or any other organ of the Party. Therefore, we saw to it that the information and documents were forwarded to Warner and Fields and we have been assured that they will give it the full yellow journalism treatment.

Readers who are interested in this sort of sensationalism should get a copy of the next THUNDERBOLT, Box 473, Birmingham, Alabama.

Intra-Party
CONFIDENTIAL NEWSLETTER

The INTRA-PARTY CONFIDENTIAL NEWSLETTER is published by the American Nazi Party on the 1st, the 7th, the 15th and the 22d of each month at 928 N. Randolph Street, Arlington, Virginia. All units are requested to schedule their weekly reports so that they arrive three days prior to publication.

JEW TERRORISM IN CALIFORNIA

After winding up his business in Los Angeles, Commander Rockwell proceeded on to Glendale, where he was interviewed by a widely circulated newspaper. The paper was printed with a full front-page coverage of the Commander, when the Jews stepped in with their terroristic pressure and forced the publishers to cancel delivery that day! This marked the first time in 40 years the Newspaper had missed a day.

COLLEGE ACTIVITIES

Commander Rockwell continued to receive speaking invitations from colleges all over the country. In nearly every case the Jews apply pressure to force the college authorities to rescind their offers, but they seldom succeed any more. For instance, Amherst College invited the Commander, later cancelled the invitation, and then re-invited him. Unfortunately for the Jews, the more often the Commander speaks, the less effect their threats have on the populace.

Commander Speaks at the University of Colorado

On Tuesday, May 14, the Commander addressed a jam-packed, grand ballroom crowd of more than 3,000 students and faculty at the University of Colorado. This is the same school which is so wildly and radically liberal that it almost ran Goldwater off the platform when he tried to speak and the editor of the college paper was fired for saying he was a "murderer" and a "common criminal." While the Commander had a few things, including books, thrown at him during the speech and there was plenty of howling and roaring, he kept the students so interested in what he was saying that there was no major disorders, and there was even applause at the end--overriding a chorus of "boos" from the Reds. The Commander reported he was amazed at the degeneracy and redness of this university in the very heart of America. The students, he said, seemed to be just crazy about Negroes and he ran into something not yet experienced at other colleges. There have always been white girls with Negro men at other speeches--but at Colorado the Commander reported there were quite a few white men with Negro dates. The school recently chose, as its beauty queen, a NEGRESS! Nevertheless, the Commander reported many inquiries from interested students for literature and even for application blanks.

HOT HATE

A bookstore in Washington, D. C. reports that sales of our "Stormtrooper" magazine continue to soar. Supporters are urged to get orders from other dealers throughout the country. Bookstores get a special rate for resale, and the one mentioned in Washington hasn't had a window broken out yet.

NATIONAL HEADQUARTERS

ANP Chaplain Donald Wiley was sworn in as a Stormtrooper at the Party meeting Sunday night. Trooper Wiley's hard work and dedication to the Party have proven to be an inspiration to everyone at National Headquarters.

Picket Local Theaters: The local integrationists--niggers, jews and unitarians--with help from across the Potomac, have launched a new massive drive to integrate the Arlington neighborhood theaters. Arlingtonians are beginning to look to the Party to protect their interests. As soon as the nigger/jew pickets show up, our phones begin to ring. Within minutes we have a counter-picket going. Reaction from worried Whites has been exceptionally good. Stepped-up nigger activity in Greenwood, Mississippi, and Birmingham, Alabama, just "happen" to fall in the hometowns of the White Citizens Council and the National States Rights Party, respectively. So far neither organization has done much to fight for its home territory. It will be a different story in Arlington.

WATER, WATER, EVERYWHERE

Personnel living at the Party's barracks rejoiced as running water became available after a month-long "drouth." Thanks to Major Morgan's ingenuity our pump is in working order again.

HEADQUARTERS FIRE THREAT

National Headquarters suffered an attack by vandals who threw several packages of lighted firecrackers on the front porch, catching it on fire. Only the alert, swift action of one of our duty officers saved the building from serious damage.

PHONE BOOKS REQUESTED

The National Secretary's office requests that Party supporters in the larger cities send us telephone books. This will aid the Party in carrying out some of its business in those areas.

NEW SCHEDULE

To save postage, the Confidential Newsletter will now be mailed on a new schedule, permitting two of the issues to be included with the ROCKWELL REPORT each month. The Newsletter will be issued on the 1st, the 7th, the 15th and the 22d of each month.

BLACK MUSLIMS

In a recent issue of Playboy Magazine, Black Muslim leader Malcolm X has again shown the kind of honest, forthright racism which is winning the hearts of thousands of Negroes. This time the Muslim blasts Jewish exploitation of Negroes and scorns Jew-led Negro organizations, calling racists Vervoort, Eastland, Barnett, and Rockwell honest men whose aims are sincere and clear to everyone. He also asserts that it is a primary Muslim aim to get the Negro OUT of America and INTO Africa.

POLICE BRUTALITY IN LOS ANGELES

The Commander has just complete an investigation into the beatings, arrests, and jailing of our brave pickets in L. A. Because of the lies by Jewish and Negro policemen who were sent to the scene of the celebration of the 15th anniversary of the capture of Palestine by criminal Jews, papers all over the country reported that our men were beating and kicking cops! Cops, understandably and with good reason, are rough on cop fighters and cop haters--which we are definitely are not--but the news reports that our men were "stomping cops" got them some of the worst treatment we have ever experienced in any jails anywhere in the country. The Commander managed to get two of our five men out of jail and they report beatings and mistreatment almost beyond belief.

FLORIDA

Loyal, fighting Nazis in Jacksonville, led by John McClure, have proudly announced the establishment of American Nazi Party Florida Headquarters there. The building in which the new headquarters is located is being provided by a courageous businessman who is risking all he has in order to support our fight to save the White Race. Nazi supporters and sympathizers in the area will be informed of the address in the very near future.

CHICAGO

On Sunday, Captain Roy James, guarded by Stormtroopers of the Chicago Division (Andy Chappell and Chris Vidnjevich) gave a rousing speech in Washington Square--all in full uniform. Some Red niggers attempted to break up the speech but the courage and determination of our Stormtroopers quickly discouraged the hungry cannibals.

DALLAS

Reports flashed across the country several days ago that several stores owned by Jewish merchants in Dallas had been plastered with "professionally made" stickers bearing a swastika and the words WE ARE BACK. One "eye witness" described the vandal as tall, about sixty years old and wearing a large western hat. Are they trying to frame General Walker again??

INTERNATIONAL

Nazi "Hitler was right" stickers are appearing all over Europe and Australia. We have received newspapers from all over the Continent with pictures of these little Hell-raisers. Horrified Jews are clamoring for authorities to "do something" about them. It just don't seem as much fun being a Hebe no more.

CRIME DOES NOT PAY

ONCE AGAIN, WE MUST EMPHASIZE TO ALL PARTY MEMBERS
AND FRIENDS TO STAY LEGAL! DON'T BREAK THE LAW! We can't give details, but we continue to suffer because of the activities and mistaken zeal of friends--mostly kids--who imagine they are doing something heroic when they commit violence or break the law. What they are doing is giving the Jews just what they want to smash the Party. DON'T BREAK THE LAW!

LAST MINUTE FLASHES

The Jew worshiper Mayor Burns of Jacksonville has launched an all-out attempt to terrorize the Party out of town. Our men are being seized even out of their cars and homes and charged with "vagrancy," etc., etc. Fighting John McClure was seized, railroaded through a 10-minute "trial"--complete with judge's usual speech about Auschwitz, six million dead Kikes, etc., with no chance to be heard, no lawyer, no bail, and an instantaneous trip to the prison farm for 90 days!

.

CHICAGO

Captain James, Nazi Leader in the Mid-West, has defiantly announced that the Nazi Party will again picket the celebration of the capture of Palestine by the Jews, in Chicago. It was for picketing this same wretched "victory" that our men in L. A. were beaten, jailed, and now stand charged with "felonious assaults." It will take time, but we will teach the Jews that Nazis just can't be terrorized.

In the "Rockwell Report" George Lincoln Rockwell, self-designated leader of the American Nazi Party discusses the racial situation in Birmingham, Alabama. The report also contains an article on Page 8 where Rockwell claims he forwarded information to the "Thunderbolt, Box 473, Birmingham, Alabama" concerning President John F. Kennedy and Mrs. Kennedy's Press Secretary.

In the Intra-Party Confidential Newsletter, Rockwell discusses some of the activity regarding the American Nazi Party in other cities.

The source said that 2,000 copies of "The Appeal" had been mailed to the "National Citizens Union, P. O. Box 2055, New York 17, N.Y."

Racial Matters

The source stated that Rockwell told [redacted] and [redacted] that FAN, NYC, was to disband and that the ANP will set up a unit in New York City under the leadership of [redacted] Rockwell instructed that this ANP unit was not to hold any demonstrations in New York City except on the specific instructions of Rockwell.

However, regular meetings are to be held by this ANP unit in New York City for the purpose of increasing membership in the ANP and collecting monies which are to be sent to ANP Headquarters in Arlington, Virginia.

The source further advised that [redacted] and [redacted] all of whom are to be members of this ANP unit in New York City, will travel to Arlington, Virginia on the weekend of May 25 and 26, 1963 for the purpose of discussing plans for this new unit with George Lincoln Rockwell.

The source was unable to furnish any additional information.

Characterizations of the ANP and FAN, NYC are attached hereto and sources mentioned therein have furnished reliable information in the past.

"A small sample mailing to colleges to recruit 'spies' who will be charged healthy fees to live with and observe the Party has had amazing success. College students from Western Washington State College, Davidson College, and Notre Dame have signed up and more are expected.

"[redacted] has been appointed temporary leader of the Party in New York and is setting up a headquarters."

Transcription of pertinent portions of radio interview by
JIM REEVES (Open Mike) with GEORGE LINCOLN ROCKWELL on Radio
Station WEEZ, Brookhaven, Pa., May 1, 1963

A. - Announcer (Mr. JIM REEVES)
R. - ROCKWELL
TQ.- Telephoned question

A. This man is GEORGE LINCOLN ROCKWELL, the commander, as they call him, of the American Nazi Party, and I'm going to go about this as objectively as I can. I have no ax to grind in this thing. First of all Mr. ROCKWELL - the commander, where does that title come from, sir?

R. Well, originally I was a commander in the United States Navy; however, the title doesn't come from that. Now I'm the commander of the Party.

A. It's good to establish the fact, however, that you were a commander in the United States Navy. Were you in for any length of time?

R. Twenty years. Yes sir, I rose from an enlisted man to commander and commanded three squadrons and fought both wars - World War II and Korea.

A. Commander ROCKWELL, have you been or are you a member of the American Legion or anything of that nature?

R. No, I have never been a member, I should like to be a member of either the American Legion or Veterans of Foreign Wars, but I never did get around to joining.

A. Do you or do you not believe in the American system of government though?

R. I believe in it so much that I am fighting for it as hard as I know how. I think the Communist conspiracy in this country is going to destroy it unless we do fight for it.

A. There is a question in my mind whether or not you have ever been given an opportunity to talk.

157-13-820

R. Very rarely. You're giving me one of the only opportunities. I've made dozens of television interviews for national TV networks on tape but they're always taped and always out of, because the effort is made to make us appear as a bunch of villains who want to murder somebody, which we don't, and to make us look subversive, which we aren't, and, therefore, any opportunity for us to tell exactly what we are rather than to have a news story about what somebody says we are, I don't get much chance to do that.

A. Well inasmuch as you are as anxious as I am to present this thing as objectively as I hope we can, certainly you are not going to resort to any kind of a tactic here tonight that is going to embarrass me or you.

R. I never do, sir.

A. All right, well that's fine. What would you say while believing in the system of the United States, do you find basically wrong with it that needs your attention or somebody's attention?

R. It's been perverted. I think the Constitutional Republic that was set up by our founding fathers is the golden mean between tyranny and anarchy. It's the ideal form of government and it was set up as a Republic by men, for instance, who kept slaves. They didn't believe that Negroes were the equal of white men -- they made slaves out of them and kept them chained up. I think that has been perverted into a social democracy which is Marxist, which is Communist in everything except name. I think actually we have what amounts to a nice Communist government, and I think that we've got to return to the American Republic.

A. If there is a line of departure in the history of this country from what you said was supposed to be or envisioned, where would you say that break came?

R. 1913 when WILSON became President established the first straying from the course on which we should have been, and then I think FRANKLIN D. ROOSEVELT was a traitor who actually betrayed our country to Communism. The first thing he did was recognize Communist Russia in 1932.

A. And what do you think then about his successors?

R. Well, I think since then we've had a succession of the same kind of people. I don't think we've had a pro-American president since ROOSEVELT. ...

A. Well then you'd say since WILSON the country has kind of taken a turn ...

R. Well what happened, in 1913 they passed the Federal Reserve Act, they passed the Income Tax Act, both of which I think are unconstitutional, although they did amend the Constitution for the Income Tax Act. They set up the Anti-Defamation League of the B'nai B'rith. There were two or three other things they did, all at the same time which enabled this enormous government to be built up to subvert the country.

A. Do you feel that there is a bureaucracy - a well entrenched bureaucracy in Washington?

R. I don't think the bureaucracy is as dangerous as the masters of the bureaucracy. I live right down there and I know how they -- they call it managed news now, they lie to the people, they lie about us. For instance, BOBBY KENNEDY never tires in saying that of course he could list us as subversive if he wanted to but he doesn't want to bother. He can't do it because to be subversive you have to be for a foreign government or for the overthrow of this government. We are for the protection of this government and he knows that I can prove it, so therefore he never gives us a chance to be heard in an open hearing.

A. Aside from these people that are there we'll say at the head of the government, what other forces or elements are present in our society that you feel are inimical to our best interest?

R. Well I think that the Communist Party and all of its fronts and various groups connected with it, including the NAACP and CORE, are the most dangerous things that have ever happened to this country. They are not political groups, they are conspiratorial, criminal groups and have been so designated by the Attorney General and by the American people and by the Congress, and I think they should be dealt with as criminals and eliminated.

A. Would you consider this American Nazi Party a political party in any way?

R. We are a political party and I believe I can be elected Governor of Virginia in 1966. If I didn't believe it, I wouldn't have given up my career in the Navy and in business.

A. Do you find that the word Nazi here, American Nazi Party, is -- well it's certainly an anathema in so many areas, right? Why do you persist in using this?

R. Let me say this, I was a conservative for about six years and when I was a conservative nobody ever heard of conservatives, nobody paid any attention to them. I knew JOE MC CARTHY and I saw what he tried to do and they got him, and I discovered that conservatives are simply just brushed aside. Now let me ask you this, would I be here if I were just a conservative, if I were not LINCOLN ROCKWELL, the head of the American Nazi Party? Being a Nazi gives me a political or public platform which cannot be denied by suppression and as a conservative they just simply pay no attention to you, you're not heard.

A. Well, couldn't you have taken some other name though?

R. No, no, Mr. REEVES, there are thousands and thousands ... I was in them ... I worked for RUSSELL MC GUIRE of Mercury Magazines, I was with BOB SNOWDON in the campaign for 48 states. I worked in all these conservative outfits and I'll bet you there is not a single individual in Chester that ever heard of them, or in Philadelphia or wherever your listenership is, but they certainly have heard of us, they've heard the wrong things so far but I'm going to correct that little by little by such tactics as right here, we are making clear our position that we are for this country and for the white race, and I think as soon as that happens the people will be for us.

A. You mentioned the late Senator JOE MC CARTHY. Apparently you feel very strongly that he was a very outstanding American who undertook ...

R. If they hadn't crucified JOE MC CARTHY there would be no American Nazi Party, there would be no need for an American Nazi Party.

A. The Nazi Party as it is constructed today, does it tie in in any way with the Nazi Party that we remember back in the 30's or in any way we'll say with the Nazi Party that Hitler ...

R. Well, let me say this Mr. REEVES, there are two things that you're talking about there, you're talking about the real Nazi Party in Germany and the Nazi Party that is publicized. Now I am for nothing that they publicize the so-called German Nazi Party as being. For instance killing innocent people --- I don't believe they did this. If they did, I'm against it. But it's the same with me, they say I'm out to kill the Jews which is simply not true. Just day before yesterday five of my men were arrested

in a big fight in Los Angeles and the head of the group was LEONARD HOLSTEIN who is half Jewish. I'm not against Jews, I'm against Communists. The same thing happened in Germany, I think he executed a lot of Communists and put them in concentration camps and because most of them were Jews, right away they say that he was killing Jews. Well now were we anti-Semitic in executing the ROSENBERGs? They were Communist, Jewish spies, and we executed them not because they were Jews but because they were spies, and I think that is all Hitler did.

A. You spoke about the NAACP and CORE and the Anti-Defamation League, how about the Americans for Democratic Action?

R. Well I think the Americans for Democratic Action are just a group of people who are Communistically inclined and have formed a nice little club to put it over on this country.

A. You wouldn't call them Communists, would you?

R. No sir, I think a lot of them probably have no idea that they're Communists but if you take the Communist platform and the platform of the ADA and lay them down side by side, you'll find that they coincide.

A. How about the United Nations, Mr. ROCKWELL?

R. Well now this is where I differ from all other rightists. I believe that we must have some form of world order. I've been in two wars and I don't want to see any more, but I don't think that the way to avoid war is to turn the world over to the Negroes, the Jews, and the Communists, which is what the UN does. When you actually discover what the UN is for, you discover it is for all Jewish causes, all Negro causes and all Communist causes, and is against everything American.

A. Well, isn't this just a coincidence though, when you speak of the Jews ...

R. Mr. REEVES before you say a coincidence, how can you explain a coincidence which started with ALGER HISS as the head of it. ALGER HISS set up the United Nations at San Francisco, he was the first Secretary General and the man who organized the United Nations and he was a Communist spy.

A. But didn't he have a title different from Secretary General, Executive Secretary?

R. Whatever he was, he was the man who organized the United Nations at both Dumbarton Oaks and at San Francisco, and before him the International Monetary Fund was organized by HARRY DEXTER WHITE, another man who has been proven to be a Communist spy by the FBI and by our government.

A. When you spoke about the atrocities which the Nazis have been credited with during the time Hitler was in power, if the Nazis did not do it, who accomplished these things ...

R. I'm accused, for instance, of beating people up. Now we have never attacked or beaten up anybody in the whole five years of this Party. I have never offered violence and never will to anybody, and yet you ask the average man in the street and they think we're a bunch of hoodlums. This is the same thing they've done to Hitler. For instance the so-called six million who are supposed to have perished -- if you actually check the lists of people for whom Germany is paying reparations to Israel, you will find a lot of them living in New York City. I think this is simply a myth that's been made ... a big lie.

A. Do you believe, Mr. LINCOLN ROCKWELL, in free speech?

R. Absolutely. I not only believe in it, I think that free speech is a myth in this country because you've got to be a millionaire in order to exercise it, or on the radio or TV station or newspaper. If you're a little guy like THOMAS PAINE you can't do it with pamphlets.

A. How would you explain the desire on the part of certainly wise and very good Americans objecting to your appearance here on this program tonight?

R. Because of what I'm saying tonight I think you will find out most of the listeners who are good Americans will say, well I don't see anything wrong with what that man is saying. I'm not saying anything that I think the average American will disagree with and this is what my opponents don't want people to find out, they want people to believe that I'm a two-horned monster that is out to kill all the Jews, ship the Negroes back to Africa, and a whole bunch of other lies which are not true.

A. Well you haven't tonight spoken about the Jews in any kind of a creditable fashion.

R. Well I certainly don't, but how can you speak of people ...

there have been 16 people since I got back from World War II, there have been 16 people convicted by the United States Government as spying for the Soviet Union and of the 16, 14 of them have been Jewish, like Sobel that just ran to Israel, and Greenglass, and Weinboch and Fuchs and Gold, and the Rosenbergs.

A. You have some say 15, 17 million Jews in this country. You certainly can't condemn all those Jews ...

R. I don't. That's what I just told you, the head of my organization in LA is half Jewish.

A. Well that's How about the Negro now. You've got another say 15, 17 million Negroes.

R. Well, as most people know, I think a great deal of ELIJAH MUHAMMAD and MALCOLM X.. There is a way the Negroes can be helped and I think these people are trying to do it. They want to go back to Africa and if we won't let them go back to Africa, they want someplace to get together themselves. Over and over and over again they say this. I think this is good, and I see nothing wrong with it, I'm not against the Negro. I agree with MALCOLM X and ELIJAH MUHAMMAD, what's wrong with that?

A. How about the American Civil Liberties Union?

R. Well the American Civil Liberties Union is something that I've made use of, they think they're using me, and I think I'm using them, and I notice they've stopped using me because they've found out they got used. I think this is a pink outfit and time after time they fought for my freedom of speech so they could get some Communist in someplace but they've discovered I'm getting too big for comfort.

A. They have on occasion though come to your cause ...

R. Oh yes, they have done very creditable jobs, they fought for me many a time, but it's getting fewer and fewer. I know the Civil Liberties Union now ---- we bang the doors, and they're all out, and they're sick, and anything to get away from me, they don't want any part of me anymore.

A. I wonder why this is.

R. Well, I have a very good idea. They've never refused any Communist that I've heard of.

A. What about GORDON HALL? He's your buddy.

R. Buddy? (Laughter)I respect a man who is a Communist because he comes out and tells you what he is and what he's fighting. GORDON HALL is fighting for that same bunch of things and those same people and he says he is a white man. I've defied him time after time, dared him to show up and he runs

(Talk back and forth concerning HALL jokingly, and constant laughter).

A. The Supreme Court of the land is giving some people cause for worry, how do you feel about it, of some of the decisions ... ?

R. I disagree with most rightists. In most cases I would have been forced to agree with the Supreme Court and I think the remedy is not to try to kill everybody on the Supreme Court, I think it is to change, to amend the Constitution where necessary, in order to make the Constitution conform more to the wishes of the founding fathers. I don't think it ever occurred to them, for instance, that anybody would consider Negroes as citizens or somebody who should vote and certainly not anybody who should run our government and, therefore, I think we should get rid of the 14th Amendment or the part that makes Negroes citizens and that sort of thing, and not persecute the Supreme Court for enforcing it.

A. It seems to me though that we've given birth here in a way to kind of a dilemma that civilization as we know it in the world today will find no way out until some consideration is given to minorities, particularly the Negro. The Negro in time certainly will become probably the strongest, the most vocal, the most active force there is.

R. I think they are.

A. They think they are?

R. I think they are and I think I have the answer to Negroes. You will notice ADAM CLAYTON POWELL, a black man sort of like GORDON HALL. I think he does whatever he thinks brings the most money and power, but even he has been forced over to the position of the Black Muslims because the Black Muslims like us are preaching the truth and I think that the Negro will be led by ELIJAH MUHAMMAD and MALCOLM X out of bondage, and I'm for them,

so I think you're right, the Negro is one of the strongest minorities and I think something should be done for them. We dragged them over here, we've used them for all these years, and I think we have not paid them rightly for it. I think we should take the money we are sending for foreign aid to Communist countries and give it to our own Negro people to build a decent country of their own, in Africa preferably.

A. How about the White Citizens, would their philosophy go with yours pretty much?

R. Which White Citizens?

A. White Citizens Council.

R. No, no, because they're for violating the law of the Constitution, and I'm not, even when it's against me. I think that as long as the Constitution says Negroes are citizens, which I heartily disagree with, they should have the rights of citizens, but the remedy is to change the Constitution legally, not to go down there with clubs and beat the Negroes or try to lynch Justice WARREN.

A. We've talked here about some of the things you are against and certainly strongly against. Now do you see the accomplishment of new thinking on the part of the politicians or the political parties of this country?

R. It's easy to change a politician's thinking. Just take out your wallet. If it's big enough it changes his thinking.

A. Well this is a big task in itself. Do you see yourself working effectively, we'll say within the Republican Party or the Democratic Party?

R. (Laughter). No sir, they will have no part of me and I want no part of them. We are purists, we are counterrevolutionists. I think there has been a revolution in this country, a Marxist revolution, a Marxist race-mixing revolution, and we will never get the Republicans or the Democrats or any other normal party to do anything about it. Both of them are for the Negroes, both of them are for the Jews, against the white people. I'm not saying that I'm not for the Negroes so long as they are not against the white people, but the Republican Party comes right out and says they are for forced race mixing and the hell with the rights of the white people. Now I'm not for that, I can't work with these people. The only way I see that it can be

done is for us to get the young people and the working people together which I'm doing. I am attracting the toughest young men and the most intelligent and honest white working men to one big mass movement which I think will do it -- both Republican and Democrat -- I don't care what their affiliation is but so long as they're honest.

A. Well you see this thing what then in the end, forming a third party?

R. Definitely.

A. Would you expect some support from the present members, we'll say, of the John Birch Society?

R. Well, we have already captured whole units of the John Birch Society. I don't want to name the actual area because it might embarrass people who are already known as leaders but in one tremendous city in this country we have captured the entire John Birch I didn't capture them, they got disgusted with the John Birch Society and joined us because the John Birch Society talks and we do it. We are actually fighting the things that they're talking about.

A. There are many, many John Birch members who call this program, Mr. ROCKWELL, and I don't think there has ever been one of them speak kindly of you.

R. Well, what would happen to them if they did?

A. They have charged you though of being a Communist actually.

R. If I catch them ... anybody, not only a John Birch member --- anybody who calls me a Communist is going to have to prove it in court and they won't be able to do it, and they're going to have to pay.

* * *

Following are questions to ROCKWELL from radio audience:

TQ. ROCKWELL says he is not for violence and his men aren't violent, what about two days ago, what was wrong with the people of the Jewish faith, and I'm not Jewish myself, celebrating the

15th anniversary of the founding of the State of Israel in California where four of his stormtroopers provoked a fight
.....

R. If my men committed any violence whatsoever I will do everything I can to see that they are put in prison where they belong. First of all they would be thrown out of the Party right away. Second of all, all this man has is a newspaper report. I got the reports and we have the movies taken by our people. We always take movies of our demonstrations to cover us in court. That action was a situation in which our men were peacefully picketing, they were attacked by a mob of 600 people by force and violence, and they were also attacked the first time in our whole history of five years ... All this man has is what he has read in the paper and on the basis of that he says he would use a 2 X4 to split my skull open. Now who is advocating the use of violence, me or him? ...

A. Don't you think though, LINCOLN ROCKWELL, that you could avoid a lot of this violence if you'd abandon those comic uniforms?

R. Well they may be comic uniforms but they are no more comic than the uniforms of the VFW, or the American Legion, or the Salvation Army. For instance, why can't we wear whatever uniforms we please?

TQ. Who arranged for Mr. ROCKWELL's appearance on your station, and will an equal effort be made to give any time to someone of the opposite view?

A. Whom would you name?

TQ. I have no particular individual in mind.

R. May I suggest that I think this is fair and a good idea. What I would like to do is get the head of the Anti-Defamation League here and I would debate this person without using any vile language ... and let the public decide which one of us is more reasonable in telling the truth.

A. It certainly is the purpose and desire of this radio program to present all sides (Names many people who have appeared on radio station). This is an open microphone and these doors are open. I would like to say this is done with the idea in this country we do have free speech

TQ. I think there are many millions of Americans in this country who have fought for this country and stand behind this country and like to see the American flag fly, and they are not interested in changing any 14th Amendment, or 1st Amendment, or any other Amendment

TQ. What is Mr. ROCKWELL's view of the worldwide Zionist conspiracy as he sees it in relation to the worldwide Communist conspiracy, and please tell us when he considers a Jew not to be a Zionist and does he consider the Jew to be a white man.

A. I see no advantage in answering this thing. I didn't bring you here to alienate a group of people or anybody, hurt anybody's feelings and alienate anybody with this radio station. I want to bring out the other side of LINCOLN ROCKWELL. I want to bring out the other side of the LINCOLN ROCKWELL theory or ideology, whatever it is,

TQ. I would like to point out to Mr. ROCKWELL that a great many people believe there is a difference between a Nazi and a Communist, that one is in one extreme and that the other is in the other extreme. Actually there is no difference, a Nazi and a Communist are the same, they are interchangeable In accordance with the procedure outlined to me by the ACLU, I would like to state in my belief GEORGE LINCOLN ROCKWELL is a Communist. It is not for me to prove he is, it is for him to disprove, because I have been observing the things as they have been happening and the extent to which you have been used to make the Communists look good, especially in the Philadelphia area. There has to be something wrong when they go around saying they will defend anybody as despicable as you in order to put GUS HALL into our colleges and I have objected to that because I have said that GUS HALL is just as despicable as you are Mr. ROCKWELL please don't try to harm the conservatives or the John Birch Society, and with respect to your statement that you have taken over John Birch chapters I would like to see documentation and proof of that because in my opinion you are not telling the truth.

R. I take it he is a John Bircher and a conservative. I would like to challenge him to come forth and give his name and say to me in a place where I could sue him in a court of law that I am a Communist. I don't think he has the courage to do this.
.....

TQ. Mr. ROCKWELL did say something about the VFW uniform being a comic uniform, well I disapprove of that 100 percent, or the American Legion or the Jewish War Veterans, their uniforms signify a certain thing - love of God and country. I would like

to know if he has a religion and belief in God which I doubt very much.

R. I didn't say the VFW uniform was comic. Mr. REEVES said our uniform is comic and I said it is no more comic than the VFW or the Salvation Army or the American Legion uniforms. I don't think our uniform is comic and neither is the VFW uniform.

TQ. How would our uniforms look if we wore the swastika on one sleeve and the rising sun on the other sleeve?

R. In this country we have the right to wear any uniform which we think expresses our opinion

(Discussion ensued re ROCKWELL's religion).

R. I have no denomination. I've discovered most of the denominations in America are preaching what I consider is Communism and race mixing and I don't believe in those things and I refuse to be part of something and hypocritically pretend that I'm in something and go to church every Sunday when I don't believe in what they are preaching. I believe in the Supreme Being but I do not believe in the denominations as they are now. I think I could of about 50 years ago.

TQ. What section of this country does Mr. ROCKWELL find the most fertile ground for his movement? How does he feel about the Ku Klux Klan? Does he consider himself a Fascist?

R. I find the most fertile field is the Middle West, particularly around Wisconsin and Minnesota ... The Ku Klux Klan I believe is entirely on the wrong track today. It was all right when it saved the South during reconstruction ... they tend to use lawless methods - I don't believe in that, I believe in law and our courts ... furthermore they are anti-Catholic which I think is extremely wrong. I am not a Fascist. A Fascist is a person who believes in a corporate society ... it's an economic form of government that I don't believe in.

A. Do you feel that the country is headed down what's been described here as the road to socialism?

R. I think we're in it. I think this country is already a Marxist social democracy right now. I think we have a socialist form of government in everything except name.

TQ. Caller, who called previously, again asked question re Zionists.

R. I think the Zionists are violating the United States laws in that it is required that you register as a foreign agent under the Foreign Agents Registration Act of 1938 as amended if you work for a foreign government or raise money for a foreign government, and the people who raise money for Israel are not so registered. I have checked, and I think for one thing they are lawless. They violate our laws and get away with it because they are more or less of a sacred cow

TQ. Caller talks about the John Birchers and the tying up of the Nazi Party with the Birchers. Caller points out that was qualified ... that when they did join, they had to leave the Birch Society.

R. True, there is no connection between us and the Birch Society. I scorn the Birch Society, not their aims. I think their aims are excellent ... They won't stand up and fight for what they believe in and they won't stand up in public and fight for it. They send letters and they talk and they have meetings among themselves

TQ. As regards the American Council of Judaism, for which I have a lot of respect, they separate from the Zionists.

TQ. I agree with Mr. ROCKWELL about not mixing the races. I don't think that was intended, and I admire his spirit very much in being able to go out and fight for something like that. I believe the colored people should live in Africa and we could still be friendly ... I am for Americans for Democratic Action 100 percent, they are real Americans and they want justice for all. Regarding the United Nations, the colored are trying to run it and that is what they are going to do if we don't stop them. ... I glory in his spunk. There is one thing I don't like, I wish he would change the name of his society because that seems to have a stigma to it.

TQ. Caller questions ROCKWELL re Negroes being sent back to Africa, and the mixing of races in this country. He mentions that the Negroes should be sent back to Africa.

R. Not sent back, that's not correct.

TQ. Well, that they should go back on their own because of what MALCOLM X says?

R. I think they should be allowed to go back the way the Muslims ask.

TQ. The Muslims, but not the Negro race in its entirety?

R. No, I have no plans for forcing anybody to do anything, except obey the law.

TQ. Well, would you support a plan where money would be gotten together to allow the white man to go back to his individual country?

R. Well, if any white man wants to go back, fine; if he's causing a lot of difficulty, certainly. The Negroes simply are not making any progress, the Muslims recognize this, and he won't make any progress. The white man may talk about mixing but when it comes to actually mixing nextdoor to him or having Negroes take the man's daughter out, he doesn't go for it. The Muslims have finally been honest enough to recognize this, we recognize it, all white men recognize it with the exception of a few liberals who don't really know what they are talking about. Therefore, I think there is no problem with the white man, there is with the black man. There is no problem with the Chinamen for instance.

TQ. Do you feel that the black man is inferior to the white man?

R. Yes I do.

TQ. In what way?

R. I think the black man has proved it. Nobody was holding down the black man for those thousands of years he was in Africa. Nobody gave our white ancestors foreign aid or any kind of technical aid, there was no peace corps to go help our white ancestors, and they raised themselves by their own efforts. The Negro was still eating each other over there in Africa. In fact just recently they ate a few people as I remember ... The way you judge who is inferior in school is by giving a test and the people who pass and get high marks are superior and the people who fail are inferior.

A. This man to whom you're talking is a very, very successful medical doctor. Now would you consider him superior or inferior to you?

R. Is he a Negro?

A. He is a Negro.

R. Well he may be superior to me for all I know. You can only go by the law of averages

A. Don't you think though that you have stumbled upon the one wrinkle here in your theory? Here's a man who is a very distinguished doctor, a very dedicated man, well thought of in the community. I think the recognition of the fact that he might be superior knocks a hole in this argument of yours when you start with these sweeping generalities.

R. It may do that sir. I'm only saying that I think I express the feeling of the majority of Americans. Regardless of what they say in public, most Americans don't want to mix with Negroes, including, for instance, the son of this eminent doctor. I don't care how eminent the doctor is, most white people won't let their daughters go out with his son, and I think this is a fact that we should face and deal with as a fact as the Muslims do, rather than pretend it doesn't exist.

TQ. I feel what you just said is a testimonial to something lacking in the white man.

R. It may be sir, if it is, it is going to cause a lot of trouble and we might as well face the fact.

TQ. Why does Mr. ROCKWELL title his literature the Program of the World Union for Free Enterprise National Socialist and the National Socialist World View? Is this the same type socialism practiced in Russia today or anywhere?

R. Absolutely not. I despise what is usually meant by the term socialism in all of its phases because it is Marxist, it's Communist. In fact I regret that I am saddled with the name but Hitler called his movement National Socialist because so many young Christian Germans were Communists and he had to win them over, and he found Socialist was helpful and now I'm stuck with it.

TQ. Do you believe in free enterprise?

R. Absolutely.

TQ. Your literature also says that you will try to form a commission which will insure that no man is permitted to enjoy a lion's share of the luxury products, services created by the labor owners, without contributing his own share of the goods and services by his own management, invention or labor.

R. This is aimed at exactly the same sort of thing that is going on in Las Vegas and Reno. Gambling, speculation -- I don't believe that any man should be able to make millions of dollars and then only be taxed 25 percent on what's called capital gains without producing anything, without risking anything, and without doing anything. And that's what's going on in this country -- I'm against that.

TQ. How would you force people out of these businesses?

R. Well, all you have to do is look at this program. I think that everybody should either manage, risk his capital, or produce something, and if he doesn't do one of these things it's a criminal offense.

TQ. Your guest sounds like a good John Birch man.

TQ. What is ROCKWELL's impression of the Council on Foreign Relations? What country did his family come from? ...

R. I think the Council on Foreign Relations is very much Communist infiltrated, if not communist; and my family came from Nova Scotia and Connecticut, and it's Scotch, German, French and English, and my folks are in the Daughters of the American Revolution, and so forth.

TQ. What does he think about CARL MC INTYRE?

R. ...From what little I know, I think CARL MC INTYRE is one of the Christians I would go along with.

TQ. Caller talks about ROCKWELL being a Communist, and does so unflatteringly.

R. This is typical, this is an anonymous caller, but none of them have the democratic nerve to criticize me in public.

A. You spoke about appearances in universities in the Midwest. Are you given much of an opportunity to stand without being attacked, and speak from a platform?

R. Oh yes. When I'm attacked it's always in the news. When I'm not attacked and I'm applauded and cheered, there's never any mention of it in the news, and this happens all the time at universities, particularly in the Midwest.

TQ. I understand that in your state, you have more white fathers by Negro women, you are talking about mixing the races.

(Heated discussed ensued and was ended abruptly).

TQ. (Called previously). I regret that I forget to give Mr. ROCKWELL my name, my name is FRED DEVINE of Glenelden, and I think Mr. ROCKWELL's ultimate aim is to destroy the right wing. Mr. ROCKWELL, it isn't going to work.

R. Is that the man who said I was a Communist?

A. Yes, that's right.

R. Well, I'll take care of him.

A. You're not going to bash him in the head, are you?

R. No, I'm going to sue him.

TQ. A previous caller again called and referred to ROCKWELL with unflattering names.

A. Commander LINCOLN ROCKWELL, I want to thank you for coming up here from Virginia and giving us this opportunity to talk to you as we have, and certainly it was not my purpose to showcase you in an unfavorable fashion. I thought if you were to be shown unfavorably, you would do that yourself, and I think, however, you have carried these questions very well, and this thing, of course, will go on for days and days and if it does and seems that it would be good to have you back, certainly I will communicate with you.

R. Thank you very much, Mr. REEVES.

Crowd Breaks Up Nazi Party Rally

United Press International

FARMINGTON, Mich., June 11--A hooting, jeering crowd of about 300 people blew the whistle on George Lincoln Rockwell, head of the American Nazi Party, last night to break up an open air meeting with catcalls and debris.

Rockwell, flanked by his storm troopers, had time only to make a few opening remarks before the crowd shouted him down.

When he refused to stop talking, the crowd became belligerent. Calls of "where's your swastika?" and "you should be executed" punctured the air.

Police chief Joseph G. De Vriendt raised his hands and said "that's all."

Rockwell, escorted off the stage by his guards, made his way to the home of Robert Russell, head of the Michigan Nazi party.

FEDERAL BUREAU OF INVESTIGATION
Detroit, Michigan

June 11, 1963

AMERICAN NAZI PARTY

On June 10, 1963, Special Agents of the Federal Bureau of Investigation observed a meeting held in the backyard of the residence of [redacted], Farmington, Michigan, which meeting had been previously advertised as a meeting of the American Nazi Party (ANP) which was to be addressed by George Lincoln Rockwell, the head of the ANP. and open to the public.

b6
b7C

The ANP is characterized in the Appendix attached hereto.

This meeting commenced at approximately 8 P.M. at which time an unidentified white male introduced George Lincoln Rockwell as the featured speaker. Rockwell then spoke, flanked by five bodyguards. This meeting was attended by approximately one hundred individuals, the majority of which were teenagers and curiosity seekers; however, it was also attended by a group of approximately fifteen individuals who were hostile and appeared to be semi-organized. While the meeting was going on, an additional crowd of approximately one hundred curiosity seekers were congregated in the front of [redacted] residence.

Rockwell commenced his speech, which was anti-Jewish in nature, and his speech consisted of an attempt to associate international Jewry with international Communism. He was in the process of quoting an article allegedly prepared by Winston Churchill, which was anti-Semitic. As he started to read the quotation, he was greeted by scattered outbursts from the crowd and these outbursts were mainly from the semi-organized hostile group. One of the individuals shouted that he had lost a brother and a sister in the Nazi Concentration Camps and he was not going to listen to any Nazi speaking in the United States. As the crowd became vocally hostile, the police attending the meeting moved in and Rockwell left the speaker's stand and went into the residence. At this time a scuffling broke out in the crowd and the police immediately commenced to disperse the gathering and one individual was restrained by several police officers.

Detective [redacted] Michigan State Police, on June 11, 1963, advised that the individual introducing Rockwell was [redacted] from Arlington, Virginia, who is allegedly the Chaplain for the ANP. He added that the bodyguards consisted of individuals giving their names and addresses as follows:
[redacted] Chicago, Illinois; [redacted] Chicago, Illinois;
[redacted], Chicago, Illinois, and [redacted] New York.

b6
b7c

No further attempts were made to continue Rockwell's speech but at 9:45 P.M. Rockwell and above-listed individuals entered a 1953 Cadillac sedan bearing current Virginia license [redacted] and a 1961 Volkswagon bearing current Illinois license [redacted] and departed Farmington, Michigan, with an unknown destination.

"The Detroit Free Press," a metropolitan daily newspaper published locally at Detroit, Michigan, in its June 11, 1963, edition, Page 6C, contained an article captioned "Nazi Heckled in Farmington," which is set forth verbatim as follows:

"The head of the American Nazi Party was shouted down Monday night when he tried to give a speech in Farmington.

"Speaking in the yard of a private home at 32710 Grand River, George Lincoln Rockwell, one of America's least influential but best known preachers of racism, enjoyed only 15 minutes of uninterrupted speech. The silence was broken, first by catcalls and then by a torrent of abuse.

"Shortly before 8:30 p.m., Farmington Police Chief Joseph G. DeVriendt raised his hands and announced 'That's all.' As Rockwell left the stand and entered the house, a rock bounced off the screen door behind him.

"Rockwell had been explaining why the Nazi Party is anti-Semitic, anti-Catholic, and anti-Negro. He had quoted Sir Winston Churchill as saying the Russian Revolution was spawned and directed by revolutionaries of Jewish extraction.

"But about the time he began to assert that television in the United States is under the control of a 'Communist-Semitic conspiracy,' the heckling began.

Re: AMERICAN NAZI PARTY

"Calls of 'Where's your swastika?' and 'You should be executed...' began to come from the crowd.

"Several dozen state and local police managed to keep order in a crowd of about 250. Curiosity seekers along Grand River were kept moving past the house, which belongs to Russell Roberts, head of the Michigan Nazi Party.

"Among the last people to leave the scene were Rockwell's bodyguards, including a Southern minister, who answered questions for the curious about the beliefs of the party."

"The Detroit News," a metropolitan daily newspaper published locally at Detroit, Michigan, in its June 11, 1963, edition, Page 10-B, Columns 4-5, contained the following article:

"Nazi Speech Boomed Out by Farmington Hecklers

"Booing, shouting hecklers drowned out a speech last night of George Lincoln Rockwell, leader of the American Nazi Party, in Farmington. Rockwell barely got started on his anti-Negro, anti-Semitic speech before about 100 persons in the backyard of Russell Roberts, a local supporter, at 32710 Grand River.

"About 200 more persons, who police said apparently did not want to hear Rockwell but just wanted to watch, were gathered in front of the house.

"Order of a sort was kept by some 25 officers from Farmington city and township police and the Oakland County sheriff's office. Most of them were busy moving traffic in front of the Russell house.

"When Rockwell could no longer make himself heard over the hecklers, he retired inside to talk to newsmen.

"He said he was touring the country 'to save America from a Zionist-Communist conspiracy.'

"When he is elected president in 1972, he said, he will send all Negroes 'back to Africa.'

Re: AMERICAN NAZI PARTY

"Rockwell, of Arlington, Va., founded the party in 1958.

"Fifty per cent of the voters would vote for me right now if they weren't scared," he said.

"He predicted that Senator Goldwater, whom he called 'a fake,' would be elected president in 1968 after another Kennedy term.

"By 1972 the people will be sick and tired of the Jews and this mixed neighborhood business," he said. "They will be looking for positive and nonhypocritical leadership, and they will see me."

On June 11, 1963, Mr. [REDACTED] 113th Intelligence Group, Region IV, Detroit, Michigan, was advised of the above information.

Character:

RACIAL MATTERS

Synopsis:

During period February, 1963, through April, 1963, informant furnished information of contacts by individuals from NYC area with American Nazi Party (ANP) and ANP members. Informants advised [REDACTED] former leader of American National Party, NYC, has been reinstated in ANP and [REDACTED] and [REDACTED] both ANP members were "disillusioned" over [REDACTED] reinstatement in the ANP.

b6
b7C

-P-

DETAILS:

In February, 1963, NY T-1 advised that [REDACTED] a member of the American Nazi Party (ANP), had been in contact with LUKE DOMMER of the Nationalist Party (NP) in New York City, at which time DOMMER was reported to have stated he was "dropping the dock".

NY 157-13

On February 28, 1963, Detective [] Bureau of Special Services, New York City Police Department (NYCPD), advised that the above information obviously refers to [] [] Brooklyn, New York, who until recent months had been active in the Fighting American Nationalists, New York City (FAN, NYC).

Detective [] advised that [] is called [] because he has studied to be a chiropractor and is presently employed as a Medical Claims Approver by the New York Life Insurance Company, New York City.

Characterizations of the ANP, NP and FAN, NYC are contained in the Appendix Section of this report.

b6
b7C

NY T-1 further advised that one [] (Last Name Unknown,) who is reportedly associated with the NP in New York City, was formerly a member of the Spanish Falange. The source stated that [] resides in a [] floor apartment on [] New York City, one-third of a block west of [] Avenue, New York City.

NY T-1 stated that [] (Last Name Unknown) possesses motion picture films of the Spanish Revolution and [] another member of the NP and a friend of [] has stated that these films were to be shown at the next public meeting of the NP.

On March 27, 1963, Mr. [] Superintendent, basement apartment, [] New York City, advised that one [] resides with his wife and three children in apartment [] at the above address. Mr. [] described [] as a white male, over six feet tall, late forties, dark complexion, and slender build. [] stated that [] is steadily employed but was unable to furnish any information concerning his place of employment.

NY 157-13

On September 11, 1953, NY T-2 advised that [redacted] wrote [redacted] for "The Worker" and the "Daily Worker" in about 1950.

b6
b7C

The "Daily Worker" and "The Worker" published [redacted] by [redacted] from November 1, 1948, until August 29, 1950, these [redacted] appearing almost daily during this period.

"The Worker" is an East Coast Communist newspaper.

The "Daily Worker" is a former East Coast Communist newspaper which suspended publication January 13, 1959.

On April 1, 1963, NY T-1 advised that one, ERNEST ELMHURST, West 57th Street, New York City, who at one time was employed as a waiter by the Waldorf Astoria Hotel in New York City, was a visitor to ANP Headquarters in Arlington, Virginia, on March 31, 1963.

NY T-1 described ELMHURST as the author of a book entitled "World Hopes" and a frequent traveler to Germany.

On May 2, 1963, NY T-3 advised that he had learned that ERNEST ELMHURST, mentioned above, had recently visited GEORGE LINCOLN ROCKWELL, ANP leader, in Arlington, Virginia, for the purpose of getting ROCKWELL to publish ELMHURST's book "World Hoax".

NY T-3 advised that ERNEST ELMHURST, himself, had requested the appointment with ROCKWELL. The source further stated that ELMHURST reportedly had no luck with ROCKWELL, who considers ELMHURST to be "some kind of a nut".

On May 3, 1963, Detective [redacted] advised that as of April, 1963, ELMHURST resided in Apartment 53 at 325 East 56th Street, New York City.

b6
b7C

NY 157-13

In February, 1963, NY T-1 advised that LUKE DOMMER of the NP, New York City, appeared to have some contact with one [redacted]. This source made available a one-page bulletin published by the NP, 507 Fifth Avenue, New York City, captioned "GORDON HALL LINKED TO ROCKWELL" which contains a quote reportedly from "The Herald of Freedom" which is set forth as follows:

"ROCKWELL's aid SETH DAVID RYAN was observed meeting with GORDON HALL at the Hotel Lexington, New York City, this spring. GORDON HALL of 222 Marlboro Street, Boston, Massachusetts, is a well-known anti-anti-Communist".

b6
b7C

On March 21, 1963, [redacted]
[redacted] New York, advised SA [redacted]
[redacted]

Mr. [redacted] stated that he subscribes to many pro-Communist periodicals in order to learn of the activities of Communists and pro-Communist individuals and organizations. He further advised that many of the people who [redacted] write and telephone him with information which he places in [redacted]. [redacted] advised that he subscribes to GEORGE LINCOLN ROCKWELL's publication "Rockwell's Report" for the purpose of obtaining information about ROCKWELL and his organization. He further advised that this is the only reason he has any contact with ROCKWELL.

On April 9, 1956, NY T-4 advised that [redacted] ANP member, was not present at an ANP meeting held at ANP Headquarters in Arlington, Virginia on April 7, 1963, but was reportedly in New York City on "personal business".

b6
b7C

On April 19, 1963, NY T-3 advised that he had learned that [redacted] mentioned above, had come to New York City recently to frighten [redacted], National States Rights Party (NSRP) representative in New York City, because [redacted] had testified against [redacted] in some court case somewhere in the South. NY T-3 was unable to furnish any additional information concerning [redacted] visit to New York City, except that [redacted] was in great fear of him.

NY 157-13

A characterization of the NSRP appears in the Appendix Section of this report.

On April 3, 1963, NY T-1 advised that [] had apparently obtained approval for reinstatement into the ANP and was expected to move to Arlington, Virginia in about two weeks. The source further advised that ROCKWELL intended to replace [] when [] arrived and this had caused the formation of an "anti-ROCKWELL" faction including [] all ANP members.

NY T-3 advised on April 19, 1963, that he had heard that [] former leader of the American National Party in New York City, had regained the favor of GEORGE LINCOLN ROCKWELL and was on the verge of being reinstated in the ANP. NY T-3 stated, however, that to his knowledge [] was still in New York City as of the above date and had heard no definite statement that [] was going to Arlington, Virginia.

b6
b7C

A characterization of the American National Party is contained in the Appendix Section attached hereto.

On April 19, 1963, NY T-3 advised that at a meeting of FAN, NYC, held on April 18, 1963, at the Madison Square Hotel, 46th Street and Madison Avenue, New York City, [] a member of the ANP, mentioned that [] ANP lieutenant, had been in New York City within the past couple of days and that [] was on his way to Chicago, Illinois to establish a base of operations for the ANP in Chicago.

[] made no mention of any exact time for [] departure to Chicago but mentioned that he, himself, would be going to Chicago within the next week or two in order to take active part in what [] described as increased ANP activity in the Chicago area.

NY 157-13

On April 25, 1963, NY T-3 advised that [redacted] ANP lieutenant, was then in New York City, and expected to go to Chicago May 1, 1963, to assist in the establishment of ANP headquarters in that city.

NY T-3 further stated that it appears the ANP may leave Arlington, Virginia sometime in the near future and establish national headquarters in Chicago where ANP was then in process of purchasing a building for its headquarters.

NY T-3 further advised that [redacted] and [redacted] are both "disillusioned and crestfallen" since it appears that ROCKWELL has permitted [redacted] to rejoin the ANP. [redacted] was extremely bitter over [redacted] reinstatement since [redacted] had previously quit the ANP and had worked against ROCKWELL's program. b6 b7C

The source stated that ROCKWELL is reportedly sending [redacted] to Los Angeles where he will be in charge of ANP activities. The source advised that Major [redacted] of the ANP exerts great influence on ROCKWELL and is reportedly responsible for [redacted] reinstatement in the ANP as well as for [redacted] falling out of favor with ROCKWELL.

APPENDIX

AMERICAN NATIONAL PARTY

On August 1, 1962, a source advised that the American National Party was formed in New York City on November 24, 1961, and was then composed of DAN BURROS, [redacted] and [redacted] all former members of the American Nazi Party (ANP), who left the ANP because of policy disagreements with GEORGE LINCOLN ROCKWELL, ANP leader.

The source stated that the original purpose behind the formation of the American National Party was to be openly anti-communist and attract other anti-communists who could be gradually converted to anti-semites, thereby expressing the true sympathies of the American National Party.

The source stated that the American National Party maintains a "mail drop" at Post Office Box 191, Gracie Station, New York 28, New York, but has no actual headquarters.

b6
b7c

The February, 1963, issue of "Kill! Magazine" published and distributed by the American National Party, carried an article by [redacted] entitled "The American National Party is Dissolved."

On April 3, 1963, Detective [redacted] Bureau of Special Services, New York City Police Department, who is familiar with the activities of the American National Party and similar organizations operating in the New York City area, advised that the American National Party is no longer in existence even though Post Office Box 191, Gracie Station, New York 28, New York, is still leased by [redacted] who had been leader of the now defunct American National Party.

APPENDIX

NATIONALIST PARTY

On June 28, 1962, Detective [redacted] Bureau of Special Services (BSS), New York City Police Department (NYCPD), advised that the Nationalist Party (NP) was formed on September 21, 1961, and although it has no actual headquarters, continues to maintain a "mail drop" at 507 Fifth Avenue, New York City.

b6
b7C

Detective [redacted] further advised that although LUKE DOMMER has no official title as an officer of the NP, he in actuality controls the activities of the NP.

Detective [redacted] stated that even though activities of the NP consist of anti-communist demonstrations, members of the NP have in the past exhibited anti-semitic sympathies, and stated that LUKE DOMMER mentioned above attended a meeting of the Fighting American Nationalists (FAN) which was held in New York City on December 4, 1960.

On August 2, 1962, a confidential source advised that the NP activities are openly anti-communist. However, this source stated, members of the NP have strong anti-semitic sympathies which they do not reveal openly since they feel disclosure of such sympathies would lose many supporters for the NP.

The above source further advised that the NP continues to join with other organizations in anti-communist demonstrations thereby giving the impression of having a greater membership than it actually has.

NY 157-13

NATIONAL STATES RIGHTS PARTY (NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of klan-type organizations and notorious anti-Semites.

Issue Number 19, dated June, 1960, "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

On June 17, 1960, a source advised that EDWARD R. FIELDS, the Information Director of the NSRP, is the individual who "runs the NSRP."

"The Thunderbolt" continues to publish articles attacking Negroes and persons of the Jewish faith.

Re: American Nazi Party
Racial Matters

On June 13, 1963, a source who has furnished reliable information in the past, advised that [redacted] Bronx, New York, had been designated by George Lincoln Rockwell, leader of the American Nazi Party (ANP), to establish in New York City the ANP of New York in place of the Fighting American Nationalists, New York City (FAN, NYC), Post Office Box 130, Highbridge Station, New York 52, New York.

According to the source, FAN, NYC has been dissolved and in its place ANP, New York City will utilize Post Office Box 130, Highbridge Station, New York 52, New York.

Those individuals, formerly associated with FAN, NYC, have been notified of its dissolution and have been invited to join and attend meetings of ANP of New York.

b6
b7c

The source stated that ANP of New York will hold no public meetings or participate in any activity of a public nature until authorized to do so by Rockwell. [redacted] in heading ANP of New York, is to take orders on its operation directly from Rockwell and any activity by ANP of New York will follow only upon receipt of orders from Rockwell.

This same source advised on June 14, 1963, that on June 13, 1963, from 7:30 p.m. to 10:30 p.m., 17 individuals, including [redacted] attended the first meeting of the ANP of New York which was held at the Madison Square Hotel, 26th Street and Madison Avenue, New York City.

Re: American Nazi Party

Included among the 17 in attendance, were the following members of the National Renaissance Party (NRP): James H. Madole, NRP leader, [redacted], Joseph Rudden, Paul Joachim, [redacted] and Dan Burros.

Also in attendance were the following individuals formerly associated with FAN, NYC, who now, according to the source, can be considered members of ANP of New York:

[redacted] who presided over the meeting, [redacted]
[redacted] Aristotle Moshos, [redacted]
[redacted]

The source was unable to identify the remainder of those in attendance.

The discussion at this meeting concerned itself with possible cooperation in their respective activities in New York City between the NRP and ANP.

b6
b7C

Madole is strongly against such cooperation since he feels that the NRP should act independently of any other organization. However, a successful discussion was held concerning the possible common usage, by NRP and ANP, of lawyers and bondsmen.

The source further advised that Madole stated that the NRP will hold no outdoor meetings in the foreseeable future and will restrict its activities to weekly meetings to be held each Saturday afternoon in the offices of The Truth Seeker, 38 Park Row, New York City.

The source stated that [redacted] informed those in attendance that the ANP of New York will participate in no public activities but will confine itself to weekly meetings at the Hotel Madison Square, 26th Street and Madison Avenue, New York City, unless advised to the contrary by Rockwell.

Characterizations of the ANP, FAN, NYC and the NRP are attached hereto and sources mentioned therein have furnished reliable information in the past.

Re: American Nazi Party

On June 18, 1963, a confidential source, who has furnished reliable information in the past, advised that [redacted] a member of the American Nazi Party (ANP), is currently in New York City, exact whereabouts unknown, and has no intention of returning to ANP Headquarters in Arlington, Virginia, at the present time, nor has he informed ANP Headquarters where he is presently located.

According to the source, [redacted] is still angry over the reinstatement of [redacted] into the ANP and feels that [redacted] and Major [redacted] of the ANP wield too strong an influence over George Lincoln Rockwell, ANP leader.

According to the source, [redacted] firmly believes that [redacted] is actually an informant for some United States governmental agency, possibly the Federal Bureau of Investigation, and advised the following reasons for this belief:

1. [redacted] has been arrested twice because of his ANP activities, but each time has "waltzed in and out of jail."
2. [redacted] does not drink, smoke or socialize with other ANP members.
3. [redacted] claims to have had an office job for ten or twelve years prior to his membership in the ANP, but, according to [redacted] he is in "terrific physical shape" for a former office worker.

This document contains neither recommendations nor conclusions of the Federal Bureau of Investigation. It is the property of the Federal Bureau of Investigation and is loaned to your agency; it and its contents are not to be distributed outside your agency.

WORLD UNION OF NATIONAL SOCIALISTS

AMERICAN NAZI PARTY,
OF NEW YORK

May 21, 1963.

FELLOW WHITE NEW YORKERS!!

This letter is being sent to you as an announcement, of our first step in opening an American Nazi Party Headquarters, in Jew York. We have been given Official Authorization by Commander Rockwell to hold a series of meetings and to carry on a campaign of ORGANIZATION, RECRUITING, and other NON-PUBLIC activities under the American Nazi Party.

The Fighting American Nationalists will no longer be active in the New York area. All members of FAN who have attended activities and meetings recently will be required to attend, and all other friends and supporters are cordially invited.

MEETINGS WILL BE HELD EVERY THURSDAY NIGHT, BEGINNING at 7:00 PM. Place will be given thru the mail. For our members, the regular place. If you cannot attend, please drop us a note and we will arrange a private meeting.

We are in the process of looking for a HQ in New York, and MUST solicit your aid in funds. The acquisition of a HQ CANNOT BE DONE WITHOUT YOUR HELP!! Remember when you are confronted by us for funds, that THERE ARE MEN AND WOMEN ALL OVER THE WORLD THAT ARE SACRIFICING EVERYTHING THEY HAVE TO FREE OUR PEOPLE FROM JEW DOMINATION AND DEPRAVITY!!! When you think of it, we are not asking much. We ask only for what you think is your share, and we are sure that the people of New York will put their RACE AND NATION before their material wealth!!! If you have faith in us, and would be delighted to see us GIVE HELL TO OUR ENEMIES, then your conscience will control your contributions. Try to get your friends and relatives (when possible) to give. One dollar, fifty cents, a quarter, a dime added all up, can give us substantial amounts that we can turn into effective 'ammunition' which will totally destroy the Jew feeling of ownership of New York, and our Great Republic!!!!

We are counting on you.....

BATTLE FRONTS-----
NRP Rally in Yorkville--

The National Renaissance Party, led by veteran Neo-Nazi James H. Madole and five members of his Security Echelon (Storm Troops), staged a rally on First Avenue, between 85th street and 86th street on Saturday, May 25, 1963.

Your editor was there, and will report what really happened, contrary to what our 'free press' reported. When we arrived, there was a crowd of about 1200 already waiting. The NRP did not yet arrive, but there was much comment in a positive manner towards the Nazis. As the SE arrived in their truck, the crowd appeared very receptive, and little or no hostility was shown. The SE men were very neat in their appearance, being clad in brown shirts, dark brown hats, and black pants. Soon after we joined the NRP behind the police barriers, a mob of nearly 3000 Jew 'War' Veterans arrived, and immediately began an obviously organized barrage of chanting, name-calling, egg and tomato throwing, and general disorder, that wouldn't be seen with a team of niggers running wild in a woman's bath house! Any pro-Nazi feelings were quickly taken care of, as in the case of Mr. Alexander Filipovich, who shouted "The Jews are controlling Yugoslavia". Within seconds Mr. Filipovich received a dose of Jewish 'love and brotherhood'. He was jumped by three toughs, and landed on the pavement. At one point, the most Jewish section of the crowd started singing what sounded like the communist "Internationale", (Oy! Vy do they persecute us? Can't they see we are only a religion?). Lunatic Jews ran rampage thru the street, as JWW chairman Jack Weiser, tried a 'citizens arrest' of Madole. While this citizens arrest was being attempted, two other Jews were trying to drag Madole across the street, where the mobs of frenzied, screaming Jews were. Thru the bravery of the SE, the Jews were fought off. Your editor was involved in that melee, and drove home several punches on one Jew. After the fight was over, six or seven Jews were left with the unpleasant memory of Nazi fists pounding them! One SE man, Louis Mostacchio, was arrested for accidentally hitting a detective. The rally was called to an end shortly after, and the NRP left under a new barrage of Jewish Civil Rights.

BATTLE FRONTS (cont.)

NRP Rally in Yorkville-----

We were not there at the end of the rally, as the cops forced us out of barriers for not belonging to the NRP. We had quite a close call with the two Jews who stormed us as we entered a cab on 86th street. We hope that filthy kike still has the footprint on his chest, which we so kindly and generously gave him, as he tried to pull us out of the cab feet first!

We would like to comment on the BRAVERY and FAITH it takes for six men to face a mob of insane Jews. With this spirit, we will surely take our country back from the Jews, niggers, pansies, pacifists, etc., who despise the thought of such PRIDE IN RACE and NATION. We would like to see six of these Jews go out and speak in front of 4000 raging Nazis, (if, of course the Yids had anything to say of value)!!

BATTLE FRONTS-----

Headquarters Drive-----

We dislike to sound as though we are harping on the same subject, but cannot stress strongly enough the fact that we NEED YOUR CONTRIBUTIONS! We have a place 'staked out', but can't rent it without funds!!! On the last page we have clipped on the announcement that most of you have by now seen. Please read it again carefully. We are not kidding. We are completely out of funds, and must have some sort of monthly pledges for contributions. The more people contributing, the less the burden will be on the individual. Please try to get more people to contribute. We have a \$120.00 per month goal to reach. PLEASE, PLEASE, AND AGAIN PLEASE, GET YOUR SHARE IN. WE HAVE THE PLANS, AND THE GUTS TO BEAT THE ENEMY, WE ONLY NEED THE FUNDS TO KEEP US GOING!!!!!! We have had to beg stamps and stationary from our personal friends. We would also appreciate stamps and stationary, if you have any to spare. "THE ACID TESTS OF ONES CONVICTIONS, IS THE WILLINGNESS TO PART WITH MONEY TO SUPPORT THEM" ---- Our Leader, ADOLF HITLER.

NEWER BRANDS-----

We have been hitting the newsstands in our neighborhood for the last few weeks, trying to get the Stormtrooper and the Rockwell Report on sale. We have succeeded in getting one place to carry them! We are going to keep up Nazi activity in this particular Jew infested borough, until the Jews leave!! We strongly suggest that our friends try their local newsstands to get them on sale. If we can get them sold in Jew York, we can do it anywhere!

FLOYD SIMPSON-----

The New York Committee To Defend Floyd Simpson, led by John Patler, has sent us a copy of their leaflet. We were not surprised to see our own Ian Lehr on the list of sponsors. We would suggest sending the niggers to the noose instead of this White Man. Better yet, GAS the Jews!!!!!! Anyone wanting more information, write to the above committee, at P. O. Box 191, Gracie Station, New York 28, NY.

WE WORK. WHILE OTHERS TALK!!

LAST MINUTE NEWS!!!!

Clipped on some of our "HITLER WAS RIGHT" newsletters are the heart-breaking appeals for funds from our Comrades in L. A. We are thoughtfully disgusted with the LAW, and we are mad as hell as this is being written. WE HAVE SEEN WITH OUR OWN EYES A BLOOD-STAINED BROWN STORM TROOP SHIRT that Commander Rockwell brought back with him from Los Angeles. The BRAVE LAD THAT WORE THAT SHIRT, SHED HIS BLOOD FOR YOU!!!!!!

WHITE MAN!!!!!!!!!! YOU ARE A COWARD!!! YOU HAVE LET THIS FILTHY GANG OF JEWS AND NIGGERS KICK TO A BLOODY MESS, THESE YOUNG MEN WHO WERE DOWN ON THE PAVEMENT, WITH THEIR HANDS HANDCUFFED BEHIND THEIR BACKS!!!

The only crime they committed was to PICKET A ZIONIST "BONDS FOR ISRAEL" TREASON RALLY!!! We quote from the leaflet: "Instead of arresting any of the attacking criminal Jews, these beasts in blue beat and kicked ~~shagstung~~ Nazi Patriots as they lie handcuffed and helpless in the street. Mrs. Bonnie Holstein, mother of a three month old baby boy, fainted as she watched a monstrous sadistic animalistic nigger cop stomp his heavy boot into her husband's face again-and-again-and-again! I personally pray to see the day these pigs are GASED, nigger and Jew savages both!!!

I would suggest that anyone having any money, no matter how littää, send to: Ralph Forbes, Box 42545, L. A. 42, Calif. DO WITHOUT CIGARETTES, BEER, LUNCH, SODA, OR ANYTHING YOU POSSIBLY CAN! SACRIFICE A LITTLE!! THEY HAVE SHED THEIR BLOOD AND FREEDOM FOR YOU!!!

If the niggers can rally for their own, THEN THE WHITE MAN CAN FIGHT FOR HIS RACE AND NATION!!!!!!!!!!!!!!

COMMANDER ROCKWELL SPEAKS AT COLARODO U.-----

Commander Rockwell spoke at Colarodo University to a crowd of 3000, as is reported in the Jewish Press, May 31st, 1963. We really love the Jew Press, as it is one of the best ways for us to keep up with Nazi news. It seems to us that the Jews are quite perturbed at the Colarodo Daily student paper and the student committee that invited Cmdr. Rockwell there. They are squawking that they did not give enough back-ground material onthe Cmdr., especially about his "expressed aims to exterminate". We got the biggest laugh, when we saw the sentence "the self-styled Fuehrer of the 75 man American Nazi Party---". If we have only 75 men in our movement, then why is the entire Jewish community, not only in American politics, but all accross the world, in such an uproar??? CONGRATULATIONS COMMANDER ROCKWELL!!! SIEG HEIL!!! SIEG HEIL!!!

::::::::::

FOR OUR TOTAL VICTORY, WE NEED THREE THINGS COMBINED: STRENGTH IN BODY; INTELLIGENCE IN MIND, AND FAITH, FAITH, AND EVEN MORE FAITH, IN OUR MOVEMENTS IN OUR LEADERS, AND IN OURSELVES. ANY ONE OF THESE BY THEMSELVES WILL ONLY INSURE US A SMALL PLOT IN A SECLUDED AND FORGOTTEN CORNER, IN THE GRAVEYARD OF HISTORY.

George Adam Lincke

WORK WILL MAKE US FREE!

SEEN AND HEARD-----

Seen by friends of the Party: Luke Dommer, the head of the so-called "Nationalist Party", throwing eggs at the NRP rally. Dommer it has been rumored, is working with the Anti-Nazi League, and the ADL of Bnai B'rith. Vern Michaels was caught throwing eggs at the same time. Our older members will remember this loud mouthed little guy from his sermons he delivered last year at our meetings. He was purged from our Unit, on evidence of his being a spy. Dommer and Michaels were dragged off by the cops, and released.

((((((((1)))))))))

UNFORTUNATE INCIDENT: HUNTINGTON LONG ISLAND-----

We are writing this article with the thought in min that this incident involving the very stupid young fellows in Huntington L.I., could have been avoided. It is quite ridiculous for anyone for any reason to go to such extents as breaking the law. We must take a deep sigh of relief, that these youngsters were not in any way connected, or members of our Great Party. The Jews will try to get us on anything, and would have caused us much trouble if these boys were members. WE WOULD LIKE TO IMPRESS UPON ALL OF YOU THE SIMPLE NECESSITY OF STAYING LEGAL!!!! THINK OF THE PARTY BEFORE YOU DO ANYTHING FOOLISH. WE MUST CO-OPERATE WITH THE LAW IN ALL WAYS POSSIBLE, TO INSURE OUR SURVIVAL!!!!

OY! OY! SWASTIKA'S!!!!

Each month we will report on Swastikas seen in odd places thruout the City, and in odd and humorous places. Also starting in our next issue we will begin a series of articles on the history of the Swastika. We would appreciate the help of our friends in reporting Swastikas in various areas of the City.

On 33rd st. in the Lexington Ave. Subway Station, downtown side, there are Swastikas all around the tile walls. They can be seen as part of a continous chain on the dark brown borders of the walls. Swastika designing can be seen on a rug in the lobby of the corner house at Townsend Ave., and Mount Eden Ave. in the Bronx. We wonder if the Jew landlord of the house (all Jewish), has taken a good look at his rug!! More and more Swastikas can be seen in many parts of the city, and can be seen in exceptional quantity in the traditionally Jewish Bronx.

!!!!!!!!!!!!!!

BOOKS, LITERATURE, Etc.-----

We would like to ask all our supporters for as much help as possible in helping us build a Library of Right-Wing material. We will appreciate any right-wing literature.

Does anyone have any extra copies of the first seven issues of the old National Socialist Bulletins?

We have much of the recent Nazi literature, and can supply copies for a nominal charge, singularly or in quantity.

SUPPORT NATIONAL SOCIALISM----THE DAWN OF A GOLDEN AGE. WE ARE NOT THE LAST OF THE OLD, BUT THE FIRST OF THE NEW!!!!

TRIBUTES TO THE FEW-----

We would like to take this space to give our deepest and sincerest gratitude to our 'bon homme', who made this possible. We thank also Mr. McGinley's friend, and Paul, the NRP truck driver, for there aid in funds. We thank our 'sewing friend', whom we hope to have as a personal friend, as well as a follower of the movement, for a long time. We are appreciative of our good friend, Sven Engblom, for coming back to our Great Movement.

BOOKS, LITERATURE, ETC.-----
LAST MINUTE NEWS

WE would like to give our thanks and express our happiness to Dan Burros, editor of the International Nazi Facist, for his help in contributing many pieces of old AMERICAN NAZI PARTY literature. Among the packages of literature, there were inspiring photos of our WUNS Leader, and Leader of the British National Socialist Movement, Colin Jordan. We hope we can at least complete A. N. P. literature, for use of our library.

On June 22, 1963, Confidential Informant PH T-1 who is acquainted with [redacted] a member of the American Nazi Party (ANP) and the Fighting American Nationalists (FAN), advised he had ascertained that on June 21, 1963, [redacted] had attempted to solicit the aid of ministers of various churches in the Willow Grove, Pa., and Abington, Pa., areas to participate in the picketing of the home of EDWARD L. SCHEMPP, 2459 Susquehanna Road, Abington, Pa.

A characterization of the American Nazi Party and the Fighting American Nationalists appears in the Appendix.

The purpose of the picketing was to protest the Supreme Court's decision concerning Bible reading in public schools. T-1 stated he had ascertained that the picketing of the SCHEMPP home was to be on Saturday, June 22, 1963, but he had been unable to ascertain the exact time the picketing was to commence.

On June 17, 1963, [redacted] Willow Grove, Pa., telephonically contacted the Philadelphia Office of the Federal Bureau of Investigation, and stated he is a sympathizer of the ANP. He said he had requested permission of the Abington, Pa., Police Department to permit him to picket the residence of EDWARD L. FIGHTING AMERICAN NATIONALISTS (FAN)

On February 23, 1961, George Lincoln Rockwell, leader of the American Nazi Party (ANP), advised Special Agents of the Federal Bureau of Investigation that the Fighting American Nationalists (FAN) was organized as an anti-communist organization in September, 1960. Rockwell said it is a separate and distinct group from ANP, but members of FAN are "frustrated Nazis" who do not like to wear the swastika or be associated with the principles of Adolf Hitler.

Rockwell stated individuals have expressed an interest in the FAN and since FAN is in consort with and guided by the ANP, these individuals soon realize the use of the swastika is the best method of getting recognition in their fight against communism. Soon these individuals will join the ANP, Rockwell said.

A source advised on February 17, 1961, that in talking to [redacted] [redacted] Deputy Commander, ANP, Morgan stated there is no legal connection between FAN and ANP but FAN was organized under the guidance of Rockwell and it is used as a front group dominated by the principles and objectives of the ANP and looks to George Lincoln Rockwell as its leader.

Indict 3 Youths on Shooting Raps

Riverhead—Three Huntington youths, including admitted Nazi admirer John E. Collins Jr., were indicted yesterday by the Suffolk Grand Jury on charges of machine-gunning a teacher's home and the Huntington High School in May.

The five-count indictment was returned yesterday against Collins, 18, who gave his address as 35 Thea Lane; Edmund Kennedy, 17, who gave his address as 10 Bay Ave., and Richard C. Hohenrath Jr., 18, who gave his address as 1206 Washington Dr. They are charged with one count of carrying and use of dangerous weapons, two counts of discharging firearms and two counts of damaging property. They are free in \$2,500 bail each.

Police said the trio fired bursts from a sub-machine gun into the home of English teacher Miss Elizabeth H. Cubley of 24 Fairmount St., Huntington Station, and into the unoccupied office of high school principal Robert Cushman around midnight on May 10. No one was injured in the shootings, which were inspired, police said, by the anger of Collins and Hohenrath for being given failing marks in English by Miss Cubley and by Kennedy's ire at being dropped from school for a poor

attendance record. Collins and Hohenrath, both seniors, have been suspended from school pending the outcome of their cases.

BATTLE FRONTS-----

NRP Rally in Yorkville--

The National Renaissance Party, led by veteran Neo-Nazi James H. Madole and five members of his Security Echelon (Storm Troops), staged a rally on First Avenue, between 85th street and 86th street on Saturday, May 25, 1963.

Your editor was there, and will report what really happened, contrary to what our 'free press' reported. When we arrived, there was a crowd of about 1200 already waiting. The NRP did not yet arrive, but there was much comment in a positive manner towards the Nazis. As the SE arrived in their truck, the crowd appeared very receptive, and little or no hostility was shown. The SE men were very neat in their appearance, being clad in brown shirts, dark brown hats, and black pants. Soon after we joined the NRP behind the police barriers, a mob of nearly 3000 Jew 'War' Veterans arrived, and immediately began an obviously organized barrage of chanting, name-calling, egg and tomato throwing, and general disorder, that wouldn't be seen with a team of niggers running wild in a woman's bath house! Any pro-Nazi feelings were quickly taken care of, as in the case of Mr. Alexander Filipovich, who shouted "The Jews are controlling Yugoslavia". Within seconds Mr. Filipovich received a dose of Jewish 'love and brotherhood'. He was jumped by three toughs, and landed on the pavement. At one point, the most Jewish section of the crowd started singing what sounded like the communist "Internationale", (Oy! Vy do they persecute us? Can't they see we are only a religion?). Lunatic Jews ran rampage thru the street, as JWW chairman Jack Weiser, tried a 'citizens arrest' of Madole. While this citizens arrest was being attempted, two other Jews were trying to drag Madole across the street, where the mobs of frenzied, screaming Jews were. Thru the bravery of the SE, the Jews were fought off. Your editor was involved in that melee, and drove home several punches on one Jew. After the fight was over, six or seven Jews were left with the unpleasant memory of Nazi fists pounding them! One SE man, Louis Mostacchio, was arrested for accidentally hitting a detective. The rally was called to an end shortly after, and the NRP left under a new barrage of Jewish Civil Rights.

NRP Rally in Yorkville-----

We would like to comment on the BRAVERY and FAITH it takes for six men to face a mob of insane Jews. With this spirit, we will surely take our country back from the Jews, niggers, pansies, pacifists, etc., who despise the thought of such PRIDE IN RACE and NATION. We would like to see six of these Jews go out and speak in front of 4000 raging Nazis, (if, of course the Yids had anything to say of value)!!

Headquarters Drive-----

• • • • •

We have been hitting the newsstands in our neighborhood for the last few weeks, trying to get the Stormtrooper and the Rockwell Report on sale. We have succeeded in getting one place to carry them! We are going to keep up Nazi activity in this particularly Jew infested borough, until the Jews leave!! We strongly suggest that our friends try their local newsstands to get them on sale. If we can get them sold in Jew York, we can do it anywhere!

The New York Committee To Defend Floyd Simpson, led by John Patler, has sent us a copy of their leaflet. We were not surprised to see our own Ian Lehr on the list of sponsors. We would suggest sending the niggers to the noose instead of this White Man. Better yet, GAS the Jews!!!!!! Anyone wanting more information, write to the above committee, at P. O. Box 191, Gracie Station, New York 28, NY.

WE WORK, WHILE OTHERS TALK!!

LAST MINUTE NEWS!!!!

Clipped on some of our "HITLER WAS RIGHT" newsletters are the heart-breaking appeals for funds from our Comrades in L. A. We are thoughly disgusted with the LAW, and we are mad as hell as this is being written. WE HAVE SEEN WITH OUR OWN EYES A BLOOD-STAINED BROWN STORM TROOP SHIRT that Commander Rockwell brought back with him from Los Angeles. The BRAVE LAD THAT WORE THAT SHIRT, SHED HIS BLOOD FOR YOU!!!!!!

WHITE MAN!!!!!!!!!! YOU ARE A COWARD!!! YOU HAVE LET THIS FILTHY GANG OF JEWS AND NIGGERS KICK TO A BLOODY MESS, THESE YOUNG MEN WHO WERE DOWN ON THE PAVEMENT, WITH THEIR HANDS HANDCUFFED BEHIND THEIR BACKS!!!

The only crime they committed was to PICKET A ZIONIST "BONDS FOR ISRAEL" TREASON RALLY!!! We quote from the leaflet: "Instead of arresting any of the attacking criminal Jews, these beasts in blue beat and kicked ~~the~~ young Nazi Patriots as they lie handcuffed and helpless in the street. Mrs. Bonnie Holstein, mother of a three month old baby boy, fainted as she watched a monstrous sadistic animalists nigger cop stomp his heavy boot into her husband's face again-and-again-and-again! I personally pray to see the day these pigs are GASSED, nigger and Jew savages both!!!"

I would suggest that anyone having any money, no matter how little, send to: Ralph Forbes, Box 42545, L. A. 42, Calif. DO WITHOUT CIGARETTES, BEER, LUNCH, SODA, OR ANYTHING YOU POSSIBLY CAN! SACRIFICE A LITTLE!! THEY HAVE SHED THEIR BLOOD AND FREEDOM FOR YOU!!!

If the niggers can rally for their own, THEN THE WHITE MAN CAN FIGHT FOR HIS RACE AND NATION!!!!!!!!!!!!!!

COMMANDER ROCKWELL SPEAKS AT COLARODO U.-----

Commander Rockwell spoke at Colarodo University to a crowd of 3000, as is reported in the Jewish Press, May 31st, 1963. We really love the Jew Press, as it is one of the best ways for us to keep up with Nazi news. It seems to us that the Jews are quite perturbed at the Colarodo Daily student paper and the student committee that invited Cmdr. Rockwell there. They are squawking that they did not give enough background material on the Cmdr., especially about his "expressed aims to exterminate". We got the biggest laugh, when we saw the sentence "the self-styled Fuehrer of the 75 man American Nazi Party---". If we have only 75 men in our movement, then why is the entire Jewish community, not only in American politics, but all accross the world, in such an uproar??? CONGRATULATIONS COMMANDER ROCKWELL!!! SIEG HEIL!!! SIEG HEIL!!! SIEG HEIL!!!

::::::::::::

FOR OUR TOTAL VICTORY, WE NEED THREE THINGS COMBINED: STRENGTH IN BODY; INTELLIGENCE IN MIND, AND FAITH, FAITH, AND EVEN MORE FAITH, IN OUR MOVEMENTS; IN OUR LEADERS, AND IN OURSELVES. ANY ONE OF THESE BY THEMSELVES WILL ONLY INSURE US A SMALL PLOT IN A SECLUDED AND FORGOTTEN CORNER, IN THE GRAVEYARD OF HISTORY.

George Adam Lincke

WORK WILL MAKE US FREE!

SEEN AND HEARD-----

Seen by friends of the Party: Luke Dommer, the head of the so-called "Nationalist Party", throwing eggs at the NRP rally. Dommer it has been rumored, is working with the Anti-Nazi League, and the ADL of Bnai B'rith. Vern Michaels was caught throwing eggs at the same time. Our older members will remember this loud mouthed little guy from his sermons he delivered last year at our meetings. He was purged from our Unit, on evidence of his being a spy. Dommer and Michaels were dragged off by the cops, and released.

((((((((!)))))))))

UNFORTUNATE INCIDENT: HUNTINGTON LONG ISLAND-----

We are writing this article with the thought in min that this incident involving the very stupid young fellows in Huntington L.I., could have been avoided. It is quite ridiculous for anyone for any reason to go to such extents as breaking the law. We must take a deep sigh of relief, that these youngsters were not in any way connected, or members of our Great Party. The Jews will try to get us on anything, and would have caused us much trouble if these boys were members. WE WOULD LIKE TO IMPRESS UPON ALL OF YOU THE SIMPLE NECESSITY OF STAYING LEGAL!!!! THINK OF THE PARTY BEFORE YOU DO ANYTHING FOOLISH. WE MUST CO-OPERATE WITH THE LAW IN ALL WAYS POSSIBLE, TO INSURE OUR SURVIVAL!!!!

OY! OY! SWASTIKA'S!!!!

Each month we will report on Swastikas seen in odd places thruout the City, and in odd and humorous places. Also starting in our next issue we will begin a series of articles on the history of the Swastika. We would appreciate the help of our friends in reporting Swastikas in various areas of the City.

On 33rd st. in the Lexington Ave. Subway Station, downtown side, there are Swastikas all around the tile walls. They can be seen as part of a continous chain on the dark brown borders of the walls. Swastika designing can be seen on a rug in the lobby of the corner house at Townsend Ave., and Mount Eden Ave. in the Bronx. We wonder if the Jew landlord of the house (all Jewish), has taken a good look at his rug!! More and more Swastikas can be seen in many parts of the city, and can be seen in exceptional quantity in the traditionally Jewish Bronx.

!!!!!!!!!!!!!!

BOOKS, LITERATURE, Etc.-----

We would like to ask all our supporters for as much help as possible in helping us build a Library of Right-Wing material. We will appreciate any right-wing literature.

Does anyone have any extra copies of the first seven issues of the old National Socialist Bulletins?

We have much of the recent Nazi literature, and can supply copies for a nominal charge, singularly or in quantity.

SUPPORT NATIONAL SOCIALISM---THE DAWN OF A GOLDEN AGE. WE ARE NOT THE LAST OF THE OLD, BUT THE FIRST OF THE NEW!!!!

TRIBUTES TO THE FEW-----

We would like to take this space to give our deepest and sincerest gratitude to our 'bon homme', who made this possible. We thank also Mr. McGinley's friend, and Paul, the NRP truck driver, for their aid in funds. We thank our 'sewing friend', whom we hope to have as a personal friend, as well as a follower of the movement, for a long time. We are appreciative of our good friend, Sven Engblom, for coming back to our Great Movement.

BOOKS, LITERATURE, ETC.-----
LAST MINUTE NEWS

We would like to give our thanks and express our happiness to Dan Burros, editor of the International Nazi Facist, for his help in contributing many pieces of old AMERICAN NAZI PARTY literature. Among the packages of literature, there were inspiring photos of our WUNS Leader, and Leader of the British National Socialist Movement, Colin Jordan. We hope we can at least complete A. N. P. literature, for use of our library.

WORLD UNION OF NATIONAL SOCIALISTS

AMERICAN NAZI PARTY,
OF NEW YORK

May 21, 1963.

FELLOW WHITE NEW YORKERS!!

This letter is being sent to you as an announcement, of our first step in opening an American Nazi Party Headquarters, in New York. We have been given Official Authorization by Commander Rockwell to hold a series of meetings and to carry on a campaign of ORGANIZATION, RECRUITING, and other NON-PUBLIC activities under the American Nazi Party.

The Fighting American Nationalists will no longer be active in the New York area. All members of FAN who have attended activities and meetings recently will be required to attend, and all other friends and supporters are cordially invited.

MEETINGS WILL BE HELD EVERY THURSDAY NIGHT, BEGINNING at 7:00 PM. Place will be given thru the mail. For our members, the regular place. If you cannot attend, please drop us a note and we will arrange a private meeting.

We are in the process of looking for a HQ in New York, and MUST solicit your aid in funds. The acquisition of a HQ CANNOT BE DONE WITHOUT YOUR HELP!! Remember when you are confronted by us for funds, that THERE ARE MEN AND WOMEN ALL OVER THE WORLD THAT ARE SACRIFICING EVERYTHING THEY HAVE TO FREE OUR PEOPLE FROM JEW DOMINATION AND DEPRAVITY!!! When you think of it, we are not asking much. We ask only for what you think is your share, and we are sure that the people of New York will put their RACE AND NATION before their material wealth!!! If you have faith in us, and would be delighted to see us GIVE HELL TO OUR ENEMIES, then your conscience will control your contributions. Try to get your friends and relatives (when possible) to give. One dollar, fifty cents, a quarter, a dime added all up, can give us substantial amounts that we can turn into effective 'ammunition' which will totally destroy the Jew feeling of ownership of New York, and our Great Republic!!!!

We are counting on you.....
